Dear Sir,

I hope your work is going on well in the Province. We are carrying on here in the National quarters under difficulties occasioned by the present Constitutional set up of the Congress. The Working Committee is strongly of opinion and will recommend to the National Executive and the Conference that the organisation and the control of the Congress must be centralised in order to facilitate the control, the collection and disbursement of funds as well as co-ordinate the policy and the work of the organisation in general.

I hope you will be considering this matter and discussing it with others concerned.

I, personally, believe that such centralisation with proper safe guards against bureaucracy will be in the best interest of the organisation.

By the way, in the rush you forgot to give me a receipt for the £50-0-0 I handed over to you for organisation.

With best wishes from us.

Yours faithfully,

A. B. Xuma

President-General
African National Congress
