Dear friend

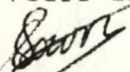

Matt Meyer of the War Resisters League recently informed us that you have donated us some 10 000 dollars. Although I have as yet not received the money, I would like to thank you for this generous expression of solidarity for our struggle against Apartheid militarism.

We have been able to continue our work despite the attempts of the government to silence our campaign. This involves firstly pushing the definition of the emergency regulations by actively testing them through our work on the streets, which is beginning to develop at a rapid rate. This however does depend on the region, as some regions are operating under severer levels of repression than others. Another level of fighting the restraints on us, is in the Supreme Court. We are instructing our lawyers to file papers challenging the emergency regulations that affect us. This is a lengthy and expensive business but hopefully in the long run, it will be productive.

For the moment I think this is all about I have to say. I hope you are receiving regular material from Dave our National Secretary. I have also just sent a package of material to all our supporters. This will take some time to get to you, as it cannot be directly posted. Couriers have to be found, and all of this done, out of sight of Big Brother who is always watching.

Thank you again for your support. This is really appreciated particularly at this time when our coffers are running a bit low.

Yours in Peace and Solidarity

Stephen Lowry
National Treasurer

Dear Ms Nell

Recently we heard news that Project South Africa had decided to fund our campaign. I was initially under the impression that this was to be from the New York Friends, a group that seems to work closely with Project SA. I had thus sent a letter to the New York Friends thanking them for the expected donation. Your letter of 6th August, however has sorted out the misunderstanding. For your information I have enclosed a copy of the letter I sent to the NY Friends.

I would just like to express our appreciation for the support pledged. At the moment our financial situation is close to the red and any support at this stage will be most welcome. As I usually communicate directly with donor agencies in their countries, concerning the transferral of funds to us, perhaps I could contact you directly concerning this. We want to avoid details of this type of information getting into the wrong hands, and would thus prefer a certain amount of discretion in this regard.

I think that is about all from me. Again thank-you for this much needed support and encouragement.

Yours Sincerely

Stephen Lowry
