Dear Miss Hall,

Thank you very much for your letter dated 27th February, informing me of your Annual General Meeting at which our Institute will be called to be represented.

Nothing arises immediately to my mind but I think Mr. Maurice Webb will have suggestions to make.

Yours sincerely,

Quintin Whyte
DIRECTOR

P.S. Thank you also for your letter of March 2nd. and your telegram suggesting Friday evening the 4th for a "race relations" address. Dr. Ellen Hellmann says she will be glad to give a talk. I have shown her your letter and telegram.

With regard to Mrs. Whyte and the Director of Prisons - she has been unable to see him. He is in Capetown for the session but may be back before your meeting.

Dear Mr. Quinton-Whyte:

1. Mr. Maurice Webb tells me that you favoured the suggestion of a Race Relations item on the Agenda of my National Council Annual General Meeting. Good! Mr. Webb also mentioned that he suggested to you that an address by Dr. Ellen Hellman on "Bantu Youth in our Cities" would be very acceptable. In that he is right. Please let me know whether you, too, favour that speaker and title of address - and, if so, will you approach her and let me know the decision. The address would be required either between 5.30 and 6.30 on Friday, 4th May OR early the next morning. If Dr. Hellman has any preference we would of course consider it: but at the present time I cannot myself state a definite time as so much will depend on the other items for the Agenda, not all of which have yet come in. I take it that about 40 minutes would be required for the address?

2. At our 1950 A.G.M. Mrs. Quinton-Whyte spoke on the special literacy classes she organises and it was arranged that I would have a word with the Director of Prisons and pave the way for Mrs. Quinton-Whyte to meet him with a view to obtaining permission to introduce the Course in a Prison (one prison to start off with) as a trial venture. I did my part - and advised Mrs. Quinton-Whyte by letter that the Director would be interested to discuss the matter with her. I would be glad if Mrs. Quinton-Whyte would let me have a report on progress made (if any) as my Members will also want to know whether anything of a practical nature transpired. Thanks.

Yours truly:
