OP PAD NA h REGVERDIGE VREDE IN ONS LAND

h VERKLARING OM KONSKRIPSIE TE BEEINDIG

Ons woon in h onregverdige samelewing waar basiese menseregte vir die meerderheid van die mense ontken word.

Ons woon in h ongelyke samelewing waar die land en rykdom deur h minderheid besit word.

Ons woon in h samelewing wat in h burgeroorlog betrokke is, waar broeder gevra word om teen broeder te veg.

Ons vra vir die beeindiging van konskripsie.

Jong mans word vir militêre diensplig opgeroep om die onwettige besetting van Namibië te handhaaf, en om h onregverdige oorlog teen vreemde lande te voer.

Jong mans word vir militêre diensplig opgeroep om te help met die toepassing en verdediging van apartheidbeleid.

Jong mans wat weier om militêre diensplig te doen moet kies tussen ses jaar tronkstraf of ballingskap. Ons vra vir die beeindiging van konskripsie.

Ons glo dat die finansiële koste van die oorlog die armoede van ons land vergroot, en dat geld eerder gebruik moet word in die belang van vrede.

Ons glo dat die uitbreiding van konskripsie na kleurling en Indiër burger konflik sal vermeerder en ons land verder sal verdeel.

ONS GLO DAT DIE MORELE REG VAN SUID-AFRIKANERS IS OM VRYHEID VAN GEWETE UIT TE OEFEN EN TE KAN KIES OM NIE IN DIE SUID-AFRIKAANSE WEERMAG DIENSPLIG TE DOEN NIE.

ONS VRA VIR DIE BEEINDIGING VAN KONSKRIPSIE.
ONS VRA VIR 'n REGVERDIGE VREDE IN ONS LAND.

3. Joburg ECC campaign.

Joburg has invited other regions to take up their "Eat a Caspir for Christmas" campaign. Pretoria would not take it up due to lack of distribution problems.

4. Campus campaign suggestion.

The campus group has suggested a mini campaign for Pretoria - "Anti-war toys". The General body decided it would ECC the neccessary exposure in Pretoria, and it would be a relevant theme for the churches group to take up. All interested would hold a seperate meeting to discuss details and would report back to the General body.

.5. Approving of letter to Natal command.

Pretoria felt that some of the suggestions on the agenda were unreasonable (eg. ECC's relationship with the SADF.) Suggestions from Pretoria were to concentrate on points such as:

- -the harassment and treatment of ECC members.
- -have ECC voice their stand points, and them theirs.
- -ECC's legitimicy.

Durban ECC would be contacted with the suggestions.

Lot Meeting of the Berona ECC's internal education going

The tole of the invernal education group has been defined as providing information about ECC and the role of the SADE to the membership of the Pretoria branch.

The following ideas were accepted as ways of doing this:

- She group will organise an internal education worthshop, open to all in ECC, on Saturday 7th of June
 John 1:00 to 5:00. A venue still has to be arranged.

 The workshop will include overseas TV coverage,

 discussion on why ECC opposes conscription, imput on

 ECC structures and policy, and imput on the law

 concerning conscientions objection. The Prevois courselling

 group will be asked to prepare this imput.
- The workshop will be followed, either a week or two weeks lotter, they a training workshop on how to use the ECC survey, Participants in this workshop will then go out and survey the public. The main aims of the survey at this stage are to assist with the training of ECC activists and to against the opinions of white people in Prexonia on conscription.
 - 3) Prexoria News journalists have approached Ecc to do a story on the new branch. Steve Lowry, lyolog and Davin will handle this after the workshop on the 7th.
 - 4) Members of the internal education group took responsibility

for collecting presoclips on ECC and the SADE from various newspapers. These will be displayed at ECC general meetings.

- 5) Various publications and articles on ECC and the SARF
 should be made available to ECC members. These
 include the PACSA fockshook on militarization, the
 Human Awareness Programme's dossier on militarization,
 ECC's evidence to the lyeldenthus Committee and
 the lyuidlines on ECC which howie is preparing.
- b) It was felx that the forenightly ECC general meetings should not only be business orientaxed but should include some input or education. At the next ECC meeting this would take the form of showing the ECC video Marching Orders.
- The following ideas for internal aducation were raised low not discussed fully: ECC members attending township funerals; social activities with township residents; undertaking a Working for a just beautiful type constructive action in the townships.
 - 8) The neeting ended with a heated debate on the teasons for the laxest SADT raids into reighboring States.

PRETORIA REGION REPORT

Morale

The morale is very good. The group is enthusiastic and committed. New people are joining and we can have up to 15 people at a meeting. The group hasn't achieved too much yet but it is fairly positive about the future. achieved any more than.

Security

There has been no police or right-wing harrasement, so security for meetings became fairly slack. Recently, this has been tightened up and the group has started looking at general security issues and a security workshop is scheduled.

Activities

Continued to enlarge the mailing list - includes PFP, UNISA lecturers, Cathsoc, some Black Sash and other names gathered on an individual basis.

Two meetings have been held with scholars and parents, where we gave talks on Cadets, Alternative Service options and the Rights of Conscripts. This type of activity has been identified as a very effective way of working in Pretoria and we hope to hold several such meetings with different groupings.

Out of the above meetings, it was requested that we print a pamphlet on the rights of conscripts and cadets. The pamphlet has been drawn up and is waiting to be printed.

Contact has been made with PFP Youth and IDASA and this process will be continued with other organisations in Pretoria.

The National Organisor was with us for about two weeks and Nick helped us to focus on certain aspects. Target areas were indentified and they include students, scholars and parents, and churches. Although no official sub-committees exist, the group has been divided and ways of working in these areas are being examined. As regards the emphasis on the Conscript, at this stage the area with the most potential appears to be the conscripted scholar or student.

As yet, we have no direct access to tertiary education institutions but we have students from Tukkies, Pretoria College for Education, Technikon and the Nurses Home in the group and we hope to extend our influence indirectly through these people.

Conclusion

An area of concern is the predominance of English people in a mostly Afrikaans environment. The group is aware that this is a problem and effort will be made to encourage more Afrikaans people to join.

The group is fairly stable nad Pretoria as a region is moving slowly ahead. Hopefully we will soon be able to contribute more to the overall movement.

Pretoria sends regards to all the other regions and is looking foreward to meeting people at conference.

REPORT - OF - PRETORIA - ECC

HISTORY & STRUCTURE:

Pretoria ECC started in 1986 about a month before the SOE was declared. The initial support was very good but this dwindled after the emergency. Pretoria became fairly successful and was running mini campaigns (Yellow Ribbon Campaign) but relied fairly heavely on National. Then with a combination of the December vacation, raid on members houses at a stage when they were not ready to handle them and personal problems of members, Pretoria ECC virtually collapsed.

In April 1987 the National Cordinator conducted a series of interviews with individuals and with his help, it was decided to disbandon the old exec and structure and start afresh. It was decided to initially build up a core group who were aware of security risks through internal education and at the same time establish a mailing list.

ECC Pretoria consists of a group of 9 regular members with about another 3 who attend occassionally. Recently, however, we have recruited 2 more people and a number of others have interest and will be drawn into activities.

At present there is no formal structure and the group operates as a single body with a rotating chair. One person is in charge of national contact and after some confussion with the financial function, one person has assumed responsibility as treasurer.

MORALE:

Being inexperienced, the group got off to a slow start and was also noticably effected by the July vacation. However, the active members are very keen and eager to do something active and recently the group has taken a definate step foreward.

SECURITY:

The group has followed the usual security measures of not using the phone and having 1st and 2nd meeting places. Since regroupong, there has been no security or right wing action but then we have nt really tested the reaction as yet through public activities.

PAST ACTIVITIES:

Internal Education: A session was conducted by Johannesburg members on the Democratic movement and where ECC fits in as well as a report back on the previous national meeting. The tours by Ivan Toms and Lawry also proved very interesting and informative.

A Mailing list of avout 150 - 200 people has been established and is currently being extended. National pamphlets have been sent out.

PROGRAMME OF ACTIVITIES

Definite Activities:

- 1. Speaker from IDASA ECC will help in a construction profect in Mamelodi organised by IDASA in consultation with the community involved.
- 2. Official contact with other groupings in Pretoria, ie. Black Sash, Cathsoc, PFP Youth, Pretoria Institute for Reconciliation.
- 3. Extention of Mailing List

Proposed Activites:

- 1. House meeting explaining the rights of conscripts as well as alternative service option with three differest groups
- a) School Kids
 - b) Tech Students who have shown interest.
 - c) Cathsoc
- 2. Stall at the flee Market selling the Forces Favorite Books and T-Shirt (being investigated) and maybe buttons.
- 3. Semi-public meeting at a church hall or a meeting on Campus when the VVAW Tour is conducted.

Pretoria ECC sends regards to all other regions and wishes to thank National and Johannesburg for their support and help. **Collection Number: AG1977**
