Dear Mama,

I received your letter of the 27th ~~of~~ Feb. as well, as the note you sent with Mr. Radushin. Will you please do me a favour not to go any more to ask for work at Pres.

Of Glushchenko of the transport Dept. Can not do anything for you, the matter is settled. No one else will do anything. I have gained more knowledge in the past year than in all my previous days. Do not bother them any more, it is useless, and there is an end to it.

I will not reply to your questions it seems useless to tell you, you will not & can not comprehend. I am glad you have got the loss message from Mr. Kilia it will help you for a while. Has Borow seen you before he left? And have you heard from Bornstein? I asked him to lend me a little money for 3 months. Regarding the loan on the Policy I have told you in my last letter that it is within 2. or 3 weeks you will ~~it~~ be in need which I hope

is very unlikely, I will send you the application signed. Do not take any notice of what some one or other tell you. Radurham told me that you are apt to believe any thing any body tells you. I will write you again in a few days. Do not worry and do not keep writing me things which can not be done. I can quite believe & understand your position. There is no cause for you to worry. Things are not quite so terrible as you imagine. and do not bother
 Acres any more.

No more at present.

Keep well Love

Dear Mama,

I received your letter of the 27th Dec ult. as well, as the note you sent with Mr. Kadushin. Will you please do me a favour not to go any more to ask for work at Arcos. If Glushtchenko of the transport Depart. can-not do anything for you, the matter is settled. No one else will do anything. I have gained more knowledge in the past year than in all my previous days. Do not bother them any more, it is useless, and there is an end to it.

I will not reply to your questions it seems useless to tell you, you will not & can not comprehend. I am glad you have got the last message from Mr Willis it will help you for a while. Has Barlow seen you before he left? And have you heard from Bernstein? I asked him to lend me a little money for 3 months. Regarding the loan on the Policy I have told you in my last letter that if within 2 or 3 weeks you will still be in need which I hope is very unlikely, I will send you the application signed. Do not take any notice of what some-one or other tell you. Raduskin told me that you are apt to believe any thing any body tells you. I will write you again in a few days. Do not worry and do not keep writing me things which can not be done. I am quite alive & understand your position. There is no cause for you to worry. Things are not quite so terrible as you imagine. and do not bother Arcos any more.

No more at present.

Keep well Love

as ever Sam
