Dear Comrades,

I am sending you two copies of the "Call" Album of
The Congress of the People, under separate cover, as per letter.

I have a copy of the Call of the W.I.F.D.Y. but
in any case you can find them. I am not quite certain
if the Call ever reached the W.I.F.D.Y. because there is a tight
Censorship with our Government.

I will make every endeavour to get the full material as
possible. I will send you a report of a youth camp held on the
3rd, 4th and 5th instants.

Dear Comrades,

We have great pleasure in bidding you success in your deliberations on the occasion of your 5th Annual General Meeting.

The road that we tread on our way to a better life is strewn with thorns and great obstacles. On that road we will suffer great hardships but that suffering will be sustained by our beautiful ideas of a joyous South Africa free of hate, racialism and oppression.

The Nationalist cohorts have called J.C. Strydom the man of providence. We who know what the future holds say this about the man of providence; He came in like a fox, ruled like a lion and will die like a dog.

Have courage dear comrades. Work hard, organise, organise and organise again and again.

Long live the Natal Indian Youth Congress!

Long live Peace!

Long live Freedom!

Long live Dr. Nanaicker!

We remain,

yours faithfully,

S. Esakjee.

Natal Indian Youth Congress

MESSAGE:

I AG 44

Your Congress has played and is continuing to play an important role in educating and rallying all democrats in the struggle for freedom from Oppression, Baaskapism and whole Sale Exploitation, for which you have won the support and admiration of democrats throughout South Africa and abroad.

Laws such as:- Bantu Education, Act, Passes for African women, The Urban Areas Act, Native Labour (Settlement of Disputes) Act, Group Areas Act, Native Prohibition of Indictments Act, Passport and Permit restrictions and various other laws are aimed to further suppress the voteless masses.

The Natal Indian Youth Congress like its parent body the Natal Indian Congress stands for Freedom for all and pledges to work with the African National Congress to fight relentlessly in face of police intimidation, and other fascist measures for the realisation of the Freedom Charter which is the corner-stone of the Congress Movement's policy for South Africa.

We wish your Conference every success and we hope that the decisions taken will further commit the African National Congress to play the vanguard role in the struggle for liberation which is the most cherished desire of all Freedom loving people.

Mayibuye ! Afrika.

Yours,

For Freedom in our lifetime,

R. S. Balli
