Dear Friends

The African Education Movement has been with deep
sorrow of the large loss of your son Shes and we send you
our deepest sympathy in your sorrow. ~~We know that sorrow can~~

There are no words which can convey adequately the tragedy of
a life so young, so brutally cut off, the tragedy of a young
~~man~~ boy who must pay with his innocent life for the sins
of others whose death must be at the door of South Africa,
Africa, and the country which creates the evil conditions in which
such terrible incidents can occur.

We know from the club leaders and the church how
dear Shes was to them and that you can be truly proud of
the memory of your young son. ~~It is a great loss~~ ^{Your loss is shared by}
~~the loss~~ ~~shared by~~ by the cultural club, by the leaders and the

children. ~~that~~

Let us ^{ever with a deep of sorrow} ~~hope~~ ^{work} forward to achieve a world
~~that~~ ^{is} a world where there is a ~~world~~ ^{world} where
in which all men free and equal, a world where in which such
tragedies no longer occur, a world where in which the young
~~of~~ children can grow up in happiness and security, in freedom
and peace.

Yours fraternally
