Dear Madam,

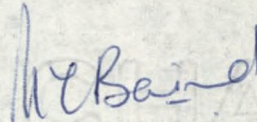

I forwarded to you yesterday a batch of 43 clippings from the list of those you required.

My reader was unable to trace two of these, one from the Cape Argus and the other, I think, from the Natal Daily News. Also the Queenstown Daily Representative specified was not in the files and it was not possible to trace the Rhodesian papers.

However, I do hope that those we have managed to trace will assist you and if, at any time, I can do anything to help you I shall be pleased to do so. The service would be more efficient if we could have notice in advance that you needed clippings.

My account for £3.10.0. is enclosed and this includes a small fee for back dated searching.

Yours faithfully,

M. B. Baird.
Manager.
