You can't be beautiful if your skin is clogged with dirt

POND'S COLD CREAM

CLEANS AND BEAUTIFIES YOUR SKIN WHILE YOU SLEEP

The real cause of blackheads, pimples and skin blemishes is hidden dirt... dirt that goes deep into your skin and stays there. Soap and water won't really clean it away, and many ordinary creams just don't go deep enough into your skin to get to this hidden dirt, which makes your face look darker. But Pond's Cold Cream, properly used every night, softens and brings out the deep dirt, leaving your face clean and healthy... Soon you will see the difference Pond's Cold Cream makes to your face. It will be so much softer and smoother that you will be amazed.

Confessions of a Beauty Queen

By Hazel Futa

"Yes, I confess... when I entered my last beauty contest I thought it would be the easiest thing in the world! Friends said I was pretty. What more did I need?"

"Well the first thing I learned was that posing is hard work. You stand there, holding a pose, looking as though you're the happiest girl in the world and, believe me, unless you feel happy it's very hard to look it."

"And that pretty face? That's all right but not nearly enough. In your skin smooth and clear under are lights? Are your eyes sparkling and bright? Is your figure just right and are you brimming over with good health? That's what the judges look for."

"So what did I do? I'll let you into a secret. I started and I've never stopped since a regular course of Dr. Mackenzie's Venoids (yes, you've heard about them on the radio). These wonderful blood-purifying tablets are the perfect medicine. First they remove ugly fat and get your figure promptly slim. Then they clear your blood and skin and, finally, they have you feeling right on top of the world. And that's what you need for beauty contests!"

"So to all men and women who want to be active and attractive, I say... do as I do—take Venoids every day. You can get a month's supply from your chemist for 6/-."

Very Hazel Futa was three times a row... Miss Pearl Elizabeth, Miss Esther Cole and Miss South Africa.
