The African Dawn •

A recently religied victoprogramm, available on stivideo systems, with a length of 20 minutes.

The programme of The African Date is a continution of music. poetry and drama, do the widon they perform: 1. Calls inc - about Germads, revolution.

2. Africa wort be five - "Africe must unite, total

liberation for the continued now" ...
3. Amazin - "I am Azamia [...] Bro't call me South Arrive"

Wgugi Wa Thiong's, a heading African provediet and critic, scote on their alban Conversation:

"The work of the African Bows to atmat/scant. Pen-Africated bears to abvinus they have brought begether stills from Bregat; Karya, Chana and Kithalow. (...) This Pen-Africance in the struggles of outside and position and it is from this perapective that they wise the sorid. For then art at its sibrant best is incoparable from politics. In the process ther have affirmed a positive element in the public performance of African spetty. They have restored postry to its origins in drams and maste. It is one of their striking qualities...

COMMENT Gigantic battle for votes

7 THTE settes in Standards and Schweizer-Brocke go to the polls on Nederolay to a little in representation to the allabile Disses of Amendia -- and that probably explains the erests of the past few days.

'ir probably explains the realism thoughtour on the United Democratic Least, the Aspetes Propir's Organisation, the Compress of South on Trade Crimes and 14 silver organications. It explains the deportation of the SARC to chaptrought's delicate between the leader of Named Party in the Teampount, Mr I'W do Klerk, and the brader of the Contractive Party, Dr Ambrica Frontsicht.

There is a piguette hardy for the oris and minds of the white reter-The National Party is determined to reducing the curred that was above at the bles, 1987, election, when the

SOWETHH 29/2/1988 mercaline Party galled to made grand that it houses the efficial manufiles.

The code was that the Stational Farty car are buck the white were in to show that it is utill flowly in control, that it puts the while man's interests first. The Government had to show that it could act firmly against -makers" of the left.

All that our medicto his to see the real intentions of the Conspanyor, is to point to the debate on Network tonight, it will be the same old story of white man been. The two gentlemen will be upted with each other to show hen ther hen they love the Afrikaner, particularly, and white generally.

The analysis's of Severy Africans, acr. ignorest in all this. In any case, that three are allowers by elections, afreedy damand three to the eyes of the majority of South Africana
