Kindly enlighten me on the following: what is the meaning of "L. Th." and "Th. L?" Is it possible to obtain a clerical post after J.C. or Matric?-R. Buthelezi, Dundee.

"L. Th." means "Licentiate in Theology." It all depends on the type of clerical work for which you have qualified in J.C. and Matric studies.

Could you kindly give me the name and address of the Managing Director of the Johannesburg Pass Office?-W. B.R., Alexandra Bay.

I have yet to hear of such a person. There is, however, the Chief Pass Officer whose name I may not disclose. You could contact him through the Central Pass Office, Department of Native Affairs, West Street, Johannesburg.

Kindly supply the following information: the address of Bethal Institution. Next, does burg. this institution offer the teachers' primary higher course?—M. S. L., Klerksdorp.

Two Transvaal towns have names nearly spelt alike: they are Bethal in the Eastern Transvaal, and Bethel in the Western Transvaal. To the best of my knowledge, there is no teacher-training institution in Bethal. which has a day secondary school. At Bethel, however, you have a boarding institution which offers high school and teacher-training courses. This institution offers the course to which you refer. The address is: Bethel Training Institution, P.O. Bodenstein, Lichtenburg District.

My boy friend with whom I've been in love for two years is strict with me. You do not state the nature of work you require, so that it is difficult to supply the particulars you require.

I am a school-master, and I'm pestered by my neighbours who spread ill-gossip about me in the village. Among them is an agricultural a nurse, demonstrator and a shopkeeper. What steps should I

One way to stop this is to take action through the law court; but this is a risky business. I suggest you place the matter before your local Native Commissioner.

Kindly furnish the name of a building society offering building loans to Africans.—C. B. M., Ladyselborne, Pretoria.

Try The Equity Building Society, No. 31, Church Street, Pretoria. I believe the society has a branch in Lady-selborne Township.

Please supply the address of the firm whose advertisement appeared in The Bantu World a little while ago under the heading "Chelete, Chelete."-B. Monama, Pretoria.

The address is: South African Agencies, Box 347, Harrismith.

When I complete the matric result, more so that he fights each time he sees me talk to a boy. I think I'm tired of his knowledge of Latin, will I be permitted to start learning this subject at Fort Hare?-S. Rena, Middelburg.

I've done my Form II and I wish to apply for a job I would like to become an with the South African Rail-attorney. What are the reways; to whom should I quirements for this course?—D.

> You'll first have to pass the matriculation; you must include Latin among your subjects.

Last year I completed a course in carpentry at an industrial school. No certficate was issued to me, and this in spite of several letters to the principal. Should I write to the

education department?
—"Worried," Johannesburg

If the school is near, why don't you see the principal personally? You may of course, write to the education department.

As the Union Government does not permit us to study there, to whom may I apply for permission to enter the Union for the purpose of learning motor engineering? At what school is this course offered?-J. P. Bhepe, Bulawayo. S. R.

Though the Bantu side were suported in the set scrums they made little use of this advantage, because Bokwe's service scrumhalf was slow and inaccurate.

Michaels who played splendidly for the Coloureds at centre, opened the score when he treated the Bantu 'Vaal's defence with contempt to register an unconverted try.

Not long after, Cewu, who olayed centre for the Bantuside, made a 5-3 lead when he registered a converted try.

This is Vic Ntombela. He has had

that he no longer required him in his training camp. Vic is therefore without a manager and is training on his own.

Under Moloi he had two fights. He won the first against

VICTOR NTOMBELA, THE little later he lost to Hawk in LEXANDRA TOWNSHIP a ninth rd. kayo. The fight was scheduled for ten rounds. It was for the Tvl. welterweight titlte held by Hawk.

Ntombela is not really worried about his defeat. He says he had weight trouble On the week of the fight he had to boil down 5 lbs. he had to starve himself. Until the day of the fight he still had to discard some poundage.

"If Black Hawk was a strong boy he would have really hurt me much earlier than that,

"I have now decided to fight as a middleweight," Ntombela said.

The 25-year old bus driver was married three months ago. His new bride is former Miss Ida Ramphomane also of Alexandra Township.

Ntombela strongly denies that he and Black Hawk are not on speaking terms as

published in a contemporary.
"After our B.M.S.C. fight the first man to call on me in my dressing room to check up that I was not hurt was the Black Hawk himself. He later came to my house during the week,
