

I EW 7.4.7.18, N 80

You see ~~so~~ many ships calling at our docks nowadays, why? It was during the war when you saw so many ships here. It may be you are glad because you are getting a lot of money for overtime worked hours, because the compounds now are being left empty everyone of you get a time card all is all right may this continue.

If you knew why I am sure you ^{will} cry tears and accuse these ships more especially those flying the British, French, Israeli flags you would not like to look at them, you would not like to handle goods of these nations you would not like to see ~~that~~ their crews. What is the cause of these events.

Firstly, Africa is a huge continent divided into ~~big~~ ~~monopoly colonies and~~ into portion to Imperialist countries mainly Britain, France, etc. These countries have been sucking the blood of these people through the the African continent for hundreds of years.

Of these people in Africa are Egyptian people whose country, Egypt has been

plundered by these big hyenas.
 The Egyptian people in
 their territory built the
 Canal "Suez Canal" most of
 the money came from them
 they supplied labour, they
 lost their lives. The Canal
 is their. But Britain and
 France want to seize it this
 Canal by force. They are
 using Israel as their
 spear head.

Colonel Nasser head of the
 Egyptian Government has
 stated that - Egypt will not
 surrender but fight to the
 last man. Egypt is not
 prepared to yield even
 an inch of the Egyptian soil
 to the Aggressors.

This Britain of Sir
 Anthony Eden, Prime Minister
 blocked the Suez Canal.
 In their sinful war against
 Egypt Britain, France, and
 their puppet Israel are killing
 men and women.

Fellow workers - Be wise
 the struggle of Egypt is
 your struggle. You know
 what it means to slaves.
 You know what it means
 to be oppressed because
 we are oppressed ourselves.

Support Egyptians in the just
battle for Independence. Britain
France, and Israel must get
out of Egypt.

Refuse to handle goods
of these nations. Don't service
their ships. Do not stab your
brothers and sisters on their
backs. ~~Do~~ Boycott these ships.
Have nothing to do with them.
