Nelson Mandela is free, along with his comrades from the Rivonia trial. The African National Congress, the Pan Africanist Congress and the South African Communist Party have been unbanned in South Africa. Many South African exiles and others await the conditions that will allow their safe return home.

Amongst these exiles are war resisters who refuse to serve in the South African Defence Force. Whilst FW de Klerk is talking to the ANC, David Bruce and Charles Bester are in prison for refusing to serve in the SADF. Seven further trials of war resisters are continuing. We call upon the South African government to:

- * release objectors currently in prison;
- * end the trials of objectors;
- * end apartheid conscription;
- * ensure that exiled war resisters and others can return to South Africa without fear of prosecution.

SOUTH AFRICANS WANT TO RETURN HOME!

=====

Nelson Mandela is free, along with his comrades from the Rivonia trial. The African National Congress, the Pan Africanist Congress and the South African Communist Party have been unbanned in South Africa. Many South African exiles and others await the conditions that will allow their safe return home.

Amongst these exiles are war resisters who refuse to serve in the South African Defence Force. Whilst FW de Klerk is talking to the ANC, David Bruce and Charles Bester are in prison for refusing to serve in the SADF. Seven further trials of war resisters are continuing. We call upon the South African government to:

- * release objectors currently in prison;
- * end the trials of objectors;
- * end apartheid conscription;
- * ensure that exiled war resisters and others can return to South Africa without fear of prosecution.
