

A photograph of a dead pronghorn antelope lying on a bed of straw. The animal is positioned in the center of the frame, facing left. Its body is covered in a light-colored, textured material, possibly a tarp or a heavy blanket, which is draped over its back and head. The straw is dry and yellowish-brown, creating a dense, textured background. A semi-transparent watermark with the text "Rights Protected" is overlaid across the middle of the image, centered over the antelope's body. The overall lighting is somewhat dim, and the image has a slightly grainy quality.
