

IT MUST COME BACK.

y. 516.

Although some people seem not to believe when we say Africa is coming back, they will one day witness it. You should remember that Rome was not built in one day, and this freedom wont come to us very soon, and its doors will gradually be opened through our work being united.

When saying this I want to tell you that all the roads are leading to Bantu Methodist Church, Durban Road, Korsten on the morning of 30/10/54.

OBJECT. As from 9 a.m. - 6 p.m. it will be a bazaar for the women of this branch, where refreshments will be sold. On that day in the evening it will be an important day even for the coming generation because it will be a reception for Sons and Daughters of the African people who through the African struggle managed to get work which had been given to white nations before; such work as to serve on the counters at trading and butcher shops and we can say that this is first forward step marching towards freedom. You must all come, come mothers, fathers, brothers, sisters and comrades let us march together towards this freedom. You must clearly understand this, in the morning it will be a bazaar, where you will get all you needs for Sunday.

NOTE:- Reception will commence at 8 pm. Admission fees 2/-. Music will be grand and speeches will be of importance and will be delivered by chosen speakers. Dont miss it because you will blame yourself!!

IT MUST COME BACK!!

ISSUED BY KORSTEN A.N.C. BRANCH, 162 DURBAN ROAD.

This gathering has no segregation, everybody will be welcomed, all organisations, and denominations because this organisation wants to unite people as they were in olden days, we want to abolish the tribalism amongst Africans. In other words we are forming up a nation. Mr. Gaba said that in order to build a nation we should first be united. You must remember that oranges, E.P. Herald and Atlas DryCleaners are still boycotted, we shall boycott Atlas Drycleaners until African women are employed and not employ Coloured women only wheras we also support it. Let us boycott it until our African women are employed because they could also do the ironing.
