LEANDRA COMMUNITY / LEANDRA COMMUNITY COUNCIL

Herewith Sir the Leandra Action Committee is forwarding the resolution of the Community meeting held on the 21.10.84 at Mpumelelo H.P. School. All mentioned below is in connection of the Leandra Community Council.

1 The notice that was read to the Community Prior The election of the Leandra Community Council notice No. 1135 states that the present Council will be in the Council for twelve (12) months only. But until todote there has been no new election dates announced.

2 During the Community Council stay-in it has done no good to the entire Community: i.e.

a Bad re-allocation of the families in the new T/Ship. (Families are splitted); divorcees are not accomodated, females with children are denied houses in the new T/Ship on their own rights)

3 All the Community grievances that were subtritted to the council non of them had been reported back. i.e.

a The value of each house in the new T/Ship.

b That in this R35.00 monthly rent are services also inclusive.

c That will there be any plots available and if yes;

i That will be the size per plot.

ii That will be the cost per plot.

iii How many plots will be available.

d Windows and doors in the new T/Ship that are abnormal.

e Houses that are being flooded when it rains.

f That families are being moved to a so called waiting area of which the Community has not been notified nor dicussed about.

4 The Leandra Community Council has shown to the Community that they are not the true leaders of the Community by failing to attend several meetings arranged by the Residents Committee to discuss Community grievances.

Now Sir for all stated above the Residents of Leandra Black T/Ship resolve that an immidiate re-election date be announced, and the present Community Council not to participate in any of the Community Administration. A petition has been signed in case of a future proof from the Resedents Committee.

Yours faithfully on behalf of the community

Leandra Action Committee
