and she uses

## Two KARROO CREAMS!

Miriam says: Everybody knows that Karroo Freekle Cream makes your skin lighter and cleans away spots. It's very easy to use. You just rub it into your face and neck every night, and wash it off in the morning. You'll be every pleased with your complexion in a short time. All your friends will notice it, and admire it.

And now there's another Karroo Cream for daytime use. It's Karroo Matt Cream and it doesn't make your face shine. You can use this cream to make your face really beautiful in the daytime, with powder or without powder.

But—make sure you get KARROO. There are no other creams like them.

Miss Miriam Dhlamini is 23 years old, but she's already known by sight to thousands of people because she appeared on magasine covers in October, 1952, and November, 1953. . . . Miriam's a pin-up girl and she's got something, you must admit! She's got the secret of a lovely complexion—it's the two Karroo Creams.
