

THE FRAUD OF THE SOUTH AFRICAN CONGRESS OF TRADE UNIONS.

The South African Congress of Trade Unions claims to represent thousands of workers in South Africa. The question is, do they really represent the workers or is it a farce? Have they ever done anything constructive for the workers they claim to represent?

LET THIS FRAUD BE EXPOSED.

They collect vast amounts from the misguided workers on the pretext of furthering the interest of these workers. But what actually happens to this money? Our hard earned wages go to the pockets of a few so-called elite of S.A.C.T.U., and what is worse, also the A.N.C. As a matter of fact these funds are almost entirely applied for the purpose of the filthy communists and A.N.C.

Our so-called leaders, some of them white communists and left Liberals who pretend to be the friend of the Black worker, are living in luxury in this country and abroad on our earnings. They travel by aeroplane, give fantastic parties and swank around in slick American cars.

We followed them blindly and did their dirty work for them. The result - hundreds of our people are serving gaol sentences and even paid the supreme penalty. In the meanwhile these rats enjoy our earnings, and the dependents of those who are in gaol must suffer starvation.

They invite us to strike and to commit illegal acts. But if we loose our jobs, do they help us? Oh no! They sneak out of the country and we have to face the music.

We challenge S.A.C.T.U. to publish a balance sheet certified by an impartial auditor indicating how the thousands of rand collected from the workers have been spent.
