# Release Dr. Joffe!

The Government has arrested Dr. Max Joffe and jailed him in an internment camp.

## WHY DID THEY DO THIS?

The Government tells us it is fighting the Nazis. Is Dr. Joffe a Nazi? NO!

## Dr. JOFFE IS NOT A NAZI!

He has fought against the Nazis for years—long before General Smuts and his followers started fighting the Nazis with their mouths.

**BUT DR. JOFFE IS A MAN WHO WANTED TO SEE BETTER CONDITIONS FOR THE POOR NON-EUROPEAN PEOPLE.**

He helped the people of Alexandra Township to win lower bus fares.

He showed how the Alexandra Health Committee was being used against the people.

He built up the Youth League of South Africa which tried to unite the European and Non-European Youth for a happier life.

In every way, both as a doctor and as a man, he tried to help the poor people of all races of South Africa. He exposed their miserable conditions and showed them how they could better them.

## IS THIS DEMOCRACY?

The Government talks of democracy. Yet they intern trade-unionists like L. Joffe and Max Gordon. They intern Dr. Max Joffe. **HOW DARE THEY ASK WORKERS AND NON-EUROPEANS TO FIGHT IN THEIR WAR WHILE THESE THINGS ARE GOING ON?**

## STOP THESE THINGS!

Anti-Nazis, friends of the African people, must have **THE RIGHT TO SPEAK THE TRUTH TO THE PEOPLE.**

Raise the cry everywhere, among your friends, in your meetings, in your Trade Unions and National Organisations:—
