1.3 That the secretaries and the national treasurer should participate in this committee and that this committee has the powers to co-opt.

1.4 FUNCTIONS

Apart from regulating the funds of the UDF this committee should also look into ways of fundraising.

2. CORRESPONDENCE

- 2.1 SCA should have undertaken to produce stickers for regional purposes. We received correspondence for affiliation from this organisation. The executive felt that this letter should not be raised at the general council as it will raise questions about the validity of some affiliates, but it should be acknowledged. This also depends on the feedback from the regional workshop.

CDE. MUSHUDU

We received a letter requesting assistance from Cde. Mushudu. The executive felt that it should be referred to organisations and be read at the general council meeting. It was discussed by the executive and the acting national treasurer should prepare a briefing document. This will be presented at the next meeting. The executive members should be allowed to air their views to the council and allow the discussion to take place.

- 3.1 The people who were sent by the executive to see the national treasurer in conjunction with Cde. J. Joffe's debt gave a load down. The national treasurer indicated that there is no money but he could help in fundraising for this debt and for other activities.

As requested by the executive the financial statement was presented by Cde. Nasim Pahad. (see financial statement dated 18 October 1984)

- 3.3 For further information on the question of funds see paragraphs 1.1, 1.2 and 1.3.

- 4.1 This meeting was held as the follow up of the NEC meeting held on 10 October 1984.

4.2 Following matters were discussed at this meeting

4.2.1 THREAT TO BAN THE UDF

It was felt that this should not be left as it is and also in the light of the harassment of the UDF leadership, the second layer of leadership must be created.

- 4.2.2 International campaign that will include briefing of embassies about the developments in the country. It was felt that the more international campaign we waged it lessens the ban on the UDF.

Documents briefing the academics and influential people must be prepared.

4.2.3 UNIONS

The question of unions included in the LE GRANJE'S statement and all those who are not included must be briefed about this possible ban and organise around it.

4.2.4 PEOPLE'S WEEKEND

It was also reported that the week - end of the 27th be declared the peoples weekend focusing on detention and harassment of UDF leadership and the threat to ban the UDF. The slogan suggested is "LONG LIVE THE UDF BAN APARTHEID"

4.2.5 MEDIA

Western Cape undertook to produce stickers for regions provided that regions will pay for the cost and transportation of the stickers.

NEC WORK SHOP There is the need of NEC workshop to focus on the future of the Front but this also depends on the feed back from the regions workshop.
