

in our edit of Underland at
quilted stick, & I was a before
 at lets. This was in 1958, I had been
 in a ATCK, and had been
 dismissed from Hardy in 1955 for
 offing it. I had been supporting
 a movement & I had
 offered a reparation for
laundry & fl. I wanted Jan to have
fl. & me at quilted stick.
 He saw me working in an office
 when I was sewed tea by a
wh woman & I asked he for
tea for me. He asked if I asked
was my brother. I said yes &
was of the same well my
was being of the same for me.
reparation.

Sunday, when the H was found
of the issue - statement says
it was 10 yrs too late, & decided
was & only paper to publish it -
full.

This was put before the
breakaway conference.

we used to meet a
lot of discussion.

my first impression of him: he
was a great soul & a great
we produced - one of the greatest
men it had ever shaped & directed
of a movement that he had to
forego of a future humanity -
he was very well understood
by the cabinet, past & future
minutes, & T. White, who when
he visited & told Lane, gave a
description of the man.

March 21: i Me: led to
group i Me: was regional
chairman of the of Tol district
+ 500 went to Lady felt
police station - but only 5
arrested, & others told to go
away.

As we were taken to
a summary court, let's take
to a mag's court (the
afternoon) & charged with
& released on own recognizance.

after declaration of Lot
we were all arrested,
In play, right to trial -
trial went in for 2 wks -
we asked for 1 to come &
testify - bc we were accused
of being on farm & we said it
was not the policy.

He ~~was~~ had already
been sentenced - a prison
for a year at Madras -
he was brought to court wearing
a red shirt - several pieces
were at the time + "Hott" -
horns, barefooted, and
dressed - handcuffs and
leg irons so that he could
walk away slowly, shuffling
along. Clean shaven head.

It did not detract
from his dignity. But the court
was full, and people felt
little for this was a man
held in esteem. But he was very
the magis, ^{very stout} of Council,
immediately agreed to an
adjournment when we asked
for it so that we could court.

as he came into the
court made good, he
said - everyone is his friend.

"Yes, boy, what have
Hall & I done?"

at the pt. I asked for
an adjustment.

went downstairs to see
he shuffled down, bare
clawing.

~~he~~ I took off my
shoes & gave them to him. I had
to save my skin - I knewed
he had my 8. It was cold.
~~It~~ We remarked for 2
hrs. we had rolled him really
to get more for him.

We did not have
any lawyer. We were defending
ourselves. That was deliberate
be of a trouble, no bail,
no defense, no fine.

What we were doing was
fighting ~~was~~ an alley by ~~the~~ state
that we had burnt our faces.
We had left them at home &
unrendered ourselves for aid.

Three of us got 12 months,
& three got 6 months.

Law I. again after
sentence: ~~was~~ prison at ~~the~~ ~~state~~
Cathryn, & before he was
sent back to ~~the~~ ~~state~~.

In ~~the~~ ~~state~~ looked up together
by ourselves in ^{large} ~~cell~~.

He was very helpful.
He said to us, "We have made
our ~~st~~ jail is no longer a
real NA thing. We must bring

on in our work! - & we
we go out & find we
must say on our work
we ground now that they
be, be promised - we must
be more sophisticated - here
we of us, who go into
will must mobilize & leaders
of office to public & abroad
i H. - & we must study
military science so that we
can really come back with
a country & bring about
genuine change in govt.

He told us that he
believed that they would never
release ~~him~~ ^{him}. "You do know
that you are going to be
political animals & you
must learn to be on your own."

We asked him if he thought
he was going to be killed. He
said: "They may not kill me,
but they will use us as
lead you again!"

He did believe that
govt was going to do everything
possible to speed up its
antiurban policy, to divide us
more. He told us to do +
attend in order to make sure
the three states were never
very outside VA. And he said,
if there are no charges by 1963,
certainly there are going to be
hundreds of charges by 1984. He
did not explain why he chose a
year.

While he was on + Federal
he was not really direct
manager, to a part he was
a boss for us, & an
imprator. He remained a
undisputed leader.

When he was in
Humboldt we were now
very much in touch with
used to send secret messages
to superiors. The late
David H. H. used to be in
touch with us & show us
coded messages -

Before 1976 he had
told us the arrangements had
been made for a general strike
spring, starting in July - & that
we had we ready to support
it & be ready to receive
them & those who fled &
send them for military training.

The funds had arranged
to offer a subcommittee of a
as a dual medium of instruction
when it was subcommittee word
was passed around that it

must be affixed & Lewis
must be heard - Ben the
young student was shot.

Carpenter went to
see him in verbal message,
telling him what was appa-
rately happening abroad, & to seek his
council. ^{It was done regularly;}
about once every 2 weeks.

19. ¹⁹ groups of trained
personnel whom we wanted
to send back into the country.
His advice was: need feel
in security, want arms, &
let them come & deal those
who are here.

In Kimberly, 3/4 of his
legal cases were pol cases.
His advice was accepted
unflinchingly. It was never disputed.

We wanted to get him
out of the country. We had
planned to get him to Caracas
& then abroad. But he refused.

(Ab appeared in 1960:
for his pt we jail was no
large NA - & we did get
outside & work there - he
encouraged us to go on
appeal for he wanted more
we outside to go underground)

Nov 1976, message from S:

"They are now killing
our kiddie. What else is
now left if u keep defense
we are not to kill."

~~In 1960 he had said~~
also:

"In 1960 we were
prepared to die for our
freedom we are now
ready to kill for it!
(It was understood that
this does not specifically mean
white but those associated
w/ military targets & w/ opponents.)"

∴ we got murder
sentimentally org so that
we wd engage in guerrilla
warfare - train people
militarily & send them back to
merge w/ v. military
targets & as for a couple
avoid killing people.

Had not read any
messages recently discussing
on the left, in there, but
rd: "Whatever hell you get
from anybody use it.
won't bring any family
love."

Johnson's Pic used in

James Salazar -
at a University of James Salazar
but had remembered -
rd got. Was an agent & it
got it & beat him up & it
had returned to get & put

Re: funeral: SAC: ce
Gabriel sent
message to pop who
went Saturday to
funeral it if Gabriel
was present, he ~~could~~ be
be broken up. We might be
wd try to go to use a
platform of to deal to
make burial popular.
