8.

(To the tune of "John Brown's Body")

1. When the ^GUnion's inspiration through the workers' blood shall run
 There can be no power greater anywhere ^Gbeneath the sun.
 Yet what force on earth is weaker than the feeble strength of one? ^{B7}
 But the ^{Am G}Union makes ^{D7 G}us strong. ^{Em}

Chorus:

^GSolidarity forever! ^CSolidarity forever!
^{G Em}Solidarity forever! ^{Am G}For the Union makes ^{D7 G}us strong.

2. Is there aught we hold in common with the greedy parasite
 Who would lash us into serfdom and would crush us with his might?
 Is there anything left to us but to organise and fight?
 For the Union makes us strong.
3. It is we who ploughed the prairies; built the cities where they trade;
 Dug the mines and built the workshops; endless miles of railroad laid.
 Now we stand, outcast and starving, 'midst the wonders we have made;
 But the Union makes us strong.
4. All the world that's owned by idle drones is ours, and ours alone.
 We have laid the wide foundations; built it skyward stone by stone.
 It is ours - not to slave in, but to master and to own,
 While the Union makes us strong.
5. They have taken untold millions that they never toiled to earn,
 But without our brain and muscle not a single wheel can turn.
 We can break their haughty power; gain our freedom when we learn
 That the Union makes us strong.
6. In our hands is placed a power greater than their hoarded gold;
 Greater than the might of armies magnified a thousand-fold.
 We can bring to birth a new world, from the ashes of the old.
 For the Union makes us strong.

9. PIECE OF GROUND

When the white people came here from over the sea
 They looked and they said this is god's own country
 And they offered up thanks for this land that they'd found
 And they said we will make this our own piece of ground.

But many is the battle they still had to fight
 And many is the family that died in the night
 And many were the black people that lived all around
 All of them working their own piece of ground.

And then came the day in the 1880's
 When gold was discovered in great quantity.
 Now the country was richer than was dreamed or was planned
 But each digger wanted his own piece of land.

The white diggers were few and the gold it was deep
 So the black man was called and his labour bought cheap
 For 6 pennies a day they were sent down
 To dig out the gold from the white master's ground.

So the country became rich but it seems strange to me
 that the people who's labour has helped this to be
 Get so little share of the wealth that abounds
 But they've been uprooted and kicked from their own piece of ground.

Ah yes people say but don't you worry
 we'll give you a homeland and then you'll be free
 Ah but where is the freedom when 10 million are found
 on a miserable 13% of this ground.

Ah yes people say but don't you worry
 You can always find work in the white man's city
 But don't stay too long don't put your roots down too deep
 For you might just disturb the white master's sleep.

Master don't sleep too long and don't sleep too deep
 And don't be too sure that this silence will keep
 For I've heard a rumour that running around.
 That the people are coming to claim back their ground.

- 4.
- One Friday night it happened, some years after we were wed
 When my old man came in from work, as usual I said:
 "Your tea is on the table, clean clothes are on the rack
 Your bath'll soon be ready, I'll come up & scrub your back."
 He kissed me very tenderly, and said: "I tell you flat,
 The service I give my machine ain't half as good as that."
 Chorus:
 I said: "I'm not your little woman, your sweetheart or your dear.
 I'm a wage slave without wages, I'm a Maintenance Engineer!"
 - Well then we got to talking, I told him how I felt
 How I keep him running just as smooth as some conveyor belt.
 For after all, it's I'm the one provides the power supply
 (He goes just like the clappers on my steak & kidney pie).
 His fittings are all shiny cos I keep'em nice and clean
 And he tells me his machine tool is the best I've ever seen...
 - The terms of my employment would make your hair turn grey
 I have to be on call, you see, for 24 hours a day.
 I quite enjoy the perks though, when I'm working through the night
 For we get satisfaction - at least, he will and then I might.
 If I keep up full production, I shall have a kid or two
 So some future boss can have a brand new labour force to screw.
 - The truth began to dawn then, how I keep him fit and trim
 So the boss can make a nice fat profit out of me and him.
 And as a solid Union man he got in quite a rage,
 To think that we're both working hard and getting one man's wage.
 I said: "And what about the part time packing job I do!
 That's three men that I work for love, my boss, your boss and you!"
 - He looked a little sheepish and he said: "As from today
 The lads and me will see what we can do on equal pay.
 Would you like a housewives' Union, do you think you should be paid,
 As a cook and as a cleaner, as a nurse and as a maid?"
 I said: "Don't jump the gun, love. If you did your share at home,
 Perhaps I'd have the time to fight some battles of my own."
 - "I've often heard you tell me how you'll pull the bosses down.
 You'll never do it, brother, while you're bossing ME around.
 Till women join the struggle, married, single, white or black,
 You're fighting with a blindfold and one arm behind your back."
 The message has got over...he has realised at last
 That Power to the Sisters means Power to the Class....

JOIN UDF.

Look around you carefully with open eyes and you will see
 That theres oppression here its not a myth but a reality
 In this 'democratic' land, democracy is in white hands.
 The black mass has no say this democracy is not O K .

CHORUS: COME ON? STAND UP
 STAND TOGETHER JOIN UDF 2x

All over S A people are uniting now
 Injustice and exploitation is what they are fighting now
 The blacks ,some whites, they know that things aren't right
 Together they decide what must be done is to be done.

CHORUS : COME ON STAND UP
 STAND TOGETHER JOIN UDF

We must get organized you will hear the people say
 Boycotts, pamphlets, workers strikes and stayaways.
 Representation, away with discrimination
 With lives we have paid the struggle goes on
 It won't fade away, fade away

CHORUS: COME ON STAND UP "
 STAND TOGETHER JOIN UDF 3x
