

MEMORANDUM ON Z. HLENGWA. (70). N/DET/SGT.

This witness reports three meetings, Nos. 286 and 473 /2 and at p. 3971 (20). and 5369 and 5383 (27).

He is a poor reporter and records very little of what was said at meetings. See:

Ex. G. 775, meeting lasted 3½ hrs, recorded on 1½ pages rtype.

Ex. G. 777, meeting lasted 6½ hrs. recorded on 3 pages type.

Needless to say he admits that he is unable to record all that was said. p. 3974 (20).

He states he only writes what he considers to be important, p. 5372. (20).

He concedes that on "many, many occasions" he has heard speakers state that "black and white should live peacefully together". and that in trying to bring about a change in Govt. force and violence must not be used. He says also that he has recorded such statements on many occasions in his notes. See p. 5374. (27).

The witness was s-examined on the notes which he produced in court with a view to establishing that they were not made contemporaneously with the meeting. It would appear as if the Exhibits handed in by the witness are not his original notes but his reports which he compiled at a later date. For x-examination see 5375 to 5381 (27).

The speeches which have been recorded by the witness do not appear to contain anything of significance or importance.
