The Group Areas Act does NOT only affect residential and trading rights of the people, but its tentacles reach deeper. Jobs, Schools, Places of worship, etc are involved under this fascist measure. Only the United and determined action of the people will defeat this detested act.

All local Organisations of cultural, Rate Payers, Sporting, Religious bodies, etc, are requested to send their representatives to this important meeting, where a Local branch of the Vigilance Committee will be set up at the close of the mass meeting.
