JOHANNESBURG.

Dear Mr. Matshekwane,

Enclosed herewith, I am returning the Government Notice which you very kindly lent me the other day. I wish to thank you very heartily for it.

We have not yet met to decide what the Institute is going to do about it as the Chairman of our Regional Committee will only be meeting Mrs. Plaistowe and me some time today.

I shall contact you as soon thereafter as possible to acquaint you with our decision.

With kind regards,

Yours sincerely,

W. B. Ngakane

Dear Mr. Thacker,

re: Nelson Kaphumuti.

I shall be pleased if you will review the case of this man. He has found employment and wishes to be registered. Apparently the officials who dealt with his case were not aware that he has been exempted from the disabilities applicable to foreign natives (see his reference book) and treated him as such.

Yours faithfully,

W. B. Ngakane

Dear Madam,

re: Patrick Sedibi.

Your letter dated 19th January, 1955, and addressed to Mrs. Clare Rheinallt-Jones has been referred to me for attention.

In reply to it I have to state that there is nothing at the moment that we can do in the Institute to help Patrick. We are, however, making enquiries and I shall therefore communicate again with you in due course.

It appears that what Patrick wants is work away from his father but near enough to some one who could assist him and guide his artistic talents.

While we are trying to do what we can, it would assist us materially if he could write and indicate whether he has any relation in Johannesburg who would be willing to allow him to live with him and give him the care which he would naturally required because of his condition.

Yours faithfully,

W. B. Ngakane (Field Officer).

the matter.

With thanks,
