WHAT WE TRY TO DO.

1. Try to build up the spiritual and moral life of town Africans, and to shepherd them, through the teaching of Christ and His Church.

2. Help the education and recreation of the children from two years upwards through Day Schools, Sunday Schools, Classes, Clubs, etc., and seek to train leaders to carry on the service of Christ in Africa.

3. Work for justice in their material conditions, and feed the hungry.

Sophiatown Nursery School cares for 260 children.

Newclare Nursery School cares for 100 children.

Orlando Nursery School cares for 150 children.

Thirty African Nursery School teachers in training.

Three Primary Schools in Sophiatown have 2,000 children.

Three Primary Schools in Orlando have 1,500 children.

Altogether 4,000 children are cared for in nine schools.

Sunday Schools for 1,000 children in Sophiatown.

Sunday Schools for 600 children in Orlando.

Classes for 300 girls in small groups.

Hungry people fed with rations every week,
about 20.

WHAT WE TRY TO DO AT THE DAY
NURSERY SCHOOL.

1. Protect and care for children of two to seven years, whose mothers and fathers are out at work all day.
 2. Teach children from the earliest years habits of cleanliness, discipline and good fellowship, and bring them up to know Christ as their Friend and King.

EKUTULENI LESEDING
and the NURSERY SCHOOLS.

ANNUAL REPORT FOR 1940.

Strict economy forbids us to publish more than a bare record of outstanding events during 1940, and for the same reason added to the difficulty of getting mails to England we are not publishing any lists of money given in England. No lists of helpers nor of the most welcome gifts in kind are given, but our gratitude to each helper is very real. Thanks to the kind offer of one of our Committee members, this Report has been produced free, and we know that everyone will approve the change of makeup, which frees so much money for the work.

I should like to use all the space in trying to thank people for their wonderful generosity and faithfulness. When we receive £14 from Bristol, £4 from Coventry, the promise of £100 from Portsmouth, and many more like them we feel humbled and quickened to an ever deeper longing to use the money worthily. We are bound to lose large sums which used to come from England and for that reason and because it is right to support one's own concerns, we appeal with confidence to South Africa to fill up the short fall which must inevitably occur, and let the work go forward.

Thanks to the prayers, money and service of our wonderful friends some very lovely things happened in 1940, which we can only list :-

The Church of Christ the King, Sophiatown was enlarged and beautified by the addition of the Chapels of All Souls and S. Mary Magdalene given (for the most part) in memory of my mother, Elisabeth Diana Maud. Sister Margaret finished three beautiful frescoes over the Sanctuary.

S. Elisabeth's Nursery School, New Clare was opened and under the special care of Charlotte Moor Allen, has taken in her full complement of 100 children. We have started a new Sunday School here for over 100 very wild and dear children who live round about, out of which 40 are being prepared for Confirmation now.

The Nursery Schools in Sophiatown, and Orlando. are both entirely full, supplemented by new Classrooms - S. Christopher and S. Anna - holding 80 more children. Doreen Chaplin and Esther Hopkinson are now training 30 African women as Nursery School Teachers with full certificates and cannot keep up with the demand for such trained teachers.

Other Schools.

We hope to start our 4th Nursery School in Pimville very soon. The Junior School in Sophiatown can now take in 600 children in a completed school; and the Education Authorities have committed to Father Raynes' care the building of two Secondary Schools for the Sophiatown and Orlando districts.

In Orlando

the work has grown and deepened most wonderfully in spite of endless difficulties. S. Mary's Church has been greatly improved and beautified, and is full to the doors Sunday by Sunday. The Schools are all overflowing; and steady constructive teaching goes on through Sunday Schools, Classes, Clubs and Wayfarer-Guides both here and in Sophiatown.

Many are the disappointments and setbacks, but the African is hungry in body, mind and soul, and with the power of sympathy and prayer to set free GOD's glorious supplies, nothing can be impossible, and we can work on in faith

for a future where CHRIST's spirit will prevail.

DOROTHY MAUD.

Our Special Thanks

are due to all who help us :-

Dr. Gross, our untiring Medical Officer :
Mr. Gordon Smith, Mr. Johns, Messrs. Lamb and Sinclair, Messrs. Deloitte, Annan, Plender, Griffiths and Co. - our Honorary Auditors; all those who help so wonderfully over School Sewing in all our Schools, and in the Clubs; and Mr. G.W. Campbell, who supplies every branch of our Mission with free coal and wood.

Honorary Treasurer and Secretary in England.

Owing to the war our splendid Honorary Treasurer, Mr. H.E. Field, and Miss. M.E. Middleton, our Secretary, have had to resign. We can never thank them adequately for all they have done for us untiringly; but we thank GOD for them. We are more than fortunate to have now Mr. Michael Tetley as Honorary Treasurer, and Mrs. James Robinson as Secretary. We give their addresses below, and thank them with all our hearts for being ready to help us in spite of all their other work.

PLEASE NOTE NEW ADDRESSES:

HONORARY TREASURER FOR ENGLAND,-
