Dear friend

My communication with anyone from Oxfam, has been with Chris Dammers in the UK. Last year he helped us with funding for our Peace Festival that was held during June last year. The help was for R 10 000,00. This was greatly appreciated as we faced a serious problem with the funding for the festival.

On his return to the UK he discovered that the groups he thought would be able to cover that donation, in fact were unable to do so. He subsequently informed me that he had recieved the funds from your agency. When speaking to him in January this year he suggested that I get directly in touch with you concerning your support for our campaign. Thus, my writing to you now.

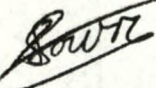

Firstly I would like to thankyou for the support you have shown us through your generous donation to the campaign last year. Chris, when he was recently out her informed me that R 9 200,00 that he has left in the account of the Southern African Catholic Bishops Conference, was for the use of the ECC, and that you are responsible for the donation. Again, heartfelt appreciation for this donation.

I have thus sent you in this package of material the statement of our accounts for 1985. I have also put you on our international mailing list, so that you can recieve regular copies of our material. Further, I peridically put together a pack of material, including our media, pressclips, posters, etc, for our funders I hope you will find this material useful in your work in Canada.

I think that is about all from me.

Once again thank-you very much for both your moral and material support.

Yours in Peace and Friendship.
