

John List seems to state that and some of the documents intact, which makes position really desperate for him. 30, 29, 21, 11 - 35, 34, 23 - 12, 30, 29 - 25, 30, 32. Do not know present whereabouts, or whether together. Think in any case that let priority should go to needs really detailed preparation outside and most careful planning. Could, for example, 35, 34, 26, 11, 9, 30, 21 - after with aid of Phillips follows. 30, 13, 6, 35, 2, 26 - 15, 10 - 27, 6, 33, 33, 3, 13 - 6, 13, 11, 25, 5, 7, 8. Am sure with some expenditure of letter could be sent to them, so that they could do their end of the thing. I have ideas for other end of the work, which could detail it required. But this is no good without their end being completely organized and settled. This is really not a job for you, but a matter for passing on to eg. 30, 13, 7 - 32, 5, 21 - 20, 25, 22, 3. Important really to do it soon, as once charges are laid position in regard to 21, 30, 13, 7, 1, 5, 30, 25, 32, changes adversely. I think Success here would be important for whole future, as well as for any case that is brought against us. I regard five, 26, 27, 22, 5 - 7, 3, 3, 30, 20.

VED Goods arrived today - during supper - thanks. I am positively embarrassed by feed situation. You should coordinate about, especially over these Sundays his rate, difficult on Monday had to say the washing to regular crew. If this happens may lead to regular really putting the relief change note the picture, or general tightening. Tell her please not to follow Sundays too closely. B. is still waiting to hear his decision at "P. et alia" about the statement. He says that under tape there is first a recorded assurance by the seminar that that a) it is indelible against prosecution, and b) statement will not be used in evidence against him, and that he will not be called as witness for the prosecution. Knowing some thing about the technique of tape recording, I think he is being a bit touchy, but there it is. As regards writing, when first came here, I started writing, but about 3 days later Mrs descended and took it all away. I protested, but think they left it all here in the prison office. Was recently my memory of childhood, met a tall, but an attempt to try and make a nice Jewish boy, three face thick for reason in a number of 7 years. I must say it was becoming quite inhuman to me, especially since my "recall" but very good. But it is quite

change how the more I worked at it, the more long for the (unhappily) names came back. Anyway, since then, with acute paper shortage, long period without pen, turned to new time Kelly device - also dead in writing session in which I gave my cell for 1 rector, 2 hours, think about all the damn silly, tedious, time-consuming promises I had have done at one time or another, or said done, or then inventing new ways of doing them. In the course I have, I think produced a number of good ones, some of which are screaming for paper, some which need some technical advice by people with special sea knowledge. However, next Sunday, will you quite kindly put into the food bag, one memo size piece, preferably airmail or whatever, where paper one can trace through, and on H.B. for taped on. Don't conceal it. I think it will get through, and so.
