I ended with Keith "I would like a little bit of better for my bread" And to, next morning, in view of risks involved for you, I think you should always type, and in signatures. You might select the most suitable of my shirts, especially brown striped one. Color nice - still (S) to signat this would only have made sense if B had seen you. Since he didn't file the bits relevant bits. It has not out by the next good Sunday, will probably send you explanation. Certainly not before (S) to signat. Since coming, have heard only what B saw in last week's NITB.

My love to all of them please, and my wishes for their happiness. Oh god how I wish you! did not get so from locked jail, and had talked to you more of things that I want you to know and understand. Perhaps.
