The Hon Mrs Indira Gandhi
Prime Minister of India

Dear Madam

The United Democratic Front is an organization consisting of 600 affiliated bodies, representing two million South Africans. The Front was formed a year ago to oppose the further extension of racist oppression under the new constitution and the Koornhof Bills.

The people of South Africa have always valued the support that they have enjoyed from the Government of India in their just struggle for a democratic, non-racial state. We write to thank you for the recent statements of members of your Government urging the Indian people of South Africa to boycott elections to the new racist parliament.

We fear that the racist regime may, nevertheless, carry through its plan of ramming this undemocratic constitution down our throats. In these circumstances, we want your government to know, that neither this constitution nor any other established without the people's consent, will deter us in our struggle, which will continue until freedom is won.

Presidents: Oscar Mpetha, Albertina Sisulu, Archie Gumede
Eastern Cape President: Edgar Ngoyi
Border President: Steve Tshwete
