**They Know How to CURE COLDS QUICK**

**FATHER WAS THE FIRST** to try Vicks Vaporub. A friend told him about it one day when he had a bad cold. Father thought a tin of Vicks Vaporub and rubbed the good, strong ointment on his chest and throat that same night. The next day his bad cold was gone.

**MOTHER HAD A COLD** in her nose that day. Her nose was stuffed up and she could not breathe. So she put some Vicks Vaporub in her nose. Right away, her nose felt better and soon she could breathe freely again. "Ah!" she said, "this is wonderful medicine!"

**THE CHILDREN** always seemed to have colds. Mother knew now what she should do. She went to her store and bought a big jar of Vicks Vaporub to rub on their chests and throats. Vicks Vaporub made them feel healthy and cured their colds.

**YOU, TOO, CAN CURE COLDS QUICKLY...** BECAUSE VICKS VAPORUB CURES COLDS IN 2 WAYS!  
**FIRST:** When you rub Vicks Vaporub on your chest and throat, the good strong medicine works through the skin. It drives out the cold from your chest.  
**SECOND:** When you breathe in the good strong smell of Vicks Vaporub, or when you put some in your nose, the smell is very good medicine. It will clear your nose and help you breathe.

Just rub it on!
