Dear Comrades

Re: National Office

During its meeting in Cape Town on June 1st and 2nd the N.E.C. took the following decisions regarding the use of the National Office facilities by the Transvaal Region.

1. That the Transvaal Region must stop forth with using the telephone of the National Office and apply for t its telephone.
2. That the Transvaal Region must submit to the National Office all the keys for the office and phones.
3. That Transvaal pays to the National office all the moneys owing to it.
4. That the Transvaal Region pay its rental.

The decision were taken on the basis that the Transvaal Region had not paid any telephone and rental since the office was acquired in September 1983. Also because the telephone bill for the National Office was escalating all the time.

Apart from Transvaal not paying its debts the National Executive Committee believes that it is accountable to all the Regions and that any bias on its part has the potential of impairing relations with other regions.

I would like to ask the R.E.C. of the Transvaal to address the matter very seriously as the National Office would no longer be in the position to carry any further financial responsibilities of this region.

I am looking forward to your-best possible co operation.

Yours in the struggle
