- A = Look, we're having - this is the second problem of its nature - there is a group that's gone on the rampage and now this other incidence ...

- B = Yah, I told him: "don't worry Lawrence have told me if something like that happened I should come and tell them" ... and Joe told me too so I think Joe will discuss it with you.

- A = Won't you be around tomorrow?
- B = Unfortunately I'm leaving for Maseru (?) tomorrow morning.
- A = Tomorrow morning
- B = Uhm ...
- A = Okay I'll discuss it with Joe and we'll see what we can do
- B = Yah I spoke to Joe - see what you can do. Just show them that we are doing something to protect them. They feel they have to be protected so they can co-operate with us; you know?
- A = Alright
- B = Okay Lawrence, see you neh?
- A = Right

RE: PERMISSION TO HOLD PUBLIC MEETING

We address you at the instance of our Clients the Krugersdorp Residents Organization.

Our clients request permission to hold a public meeting at the Kagiso Stadium in Kagiso at 14.00 hours on *SUNDAY 13TH APRIL 1986*

The purpose of the meeting can be seen from the annexed Notice which our clients intend distributing.

This meeting has been necessitated by the nature and trial due in the Supreme Court, Witwatersrand Local Division where evidence has to be tendered viva voce.

The persons who will be presiding and addressing the meeting are the Executive of the Organization, viz.

Joe Makhotlo of 74 Poswayo, Kagiso and
Lawrence Ntloko.

The short notice has been caused by the urgency of the matter as notice of the contents of the type of evidence only came to our client's on the 10th of April 1986.

Your assistance in this regard is appreciated.

Should there be any omission in this letter, the writer will supplement same in person.

May we place on record the assistance granted to the writer and our clients in this matter.

Yours faithfully

Your reference : 11/5/2 dated 3/4/86

Sir

Application in terms of Section 46 Act 74 of 1982

With reference to your above mentioned letter we wish to reply as follows:

The KRO does not concede the validity of the Honourable Minister's order in terms of the above mentioned statutory provision (see: S v Mahlangu 1986 (1)135); however in a spirit of reconciliation and in order to avoid confrontation we furnish the following information in regard to the proposed meeting.

1. Ad par 1 and 2

The information requested has already been set out clearly in our original letter.

2. Ad par 3

The Executive of the applicant which of course includes the secretary and the vice chairman Messrs Ntlokoa and Genu respectively will be concerned with the organisation and will in

all probability address the meeting. The meeting will elect a chairperson. Members of KRO and possibly a representative of Greyhound will address the meeting ; public discussion will also be invited.

3. Ad par 4

Save to state that the boycott has been in force since 8/1/86 we do not consider the reasons therefore to be relevant in considering the permission sought.

4. Ad par 5

The KRO is the only organised representative body in Kagiso and Munsieville which strives to co-ordinate and articulate public feeling in these areas.

5. Ad par 6

The KRO does not presume that it is capable of ending the boycott; in a spirit of reconciliation and in the interests of the people of the community and the bus line it merely wishes to create the opportunity for the parties to communicate with each other and to reconsider their positions.

6. Ad par 7

The boycott was a spontaneous decision taken by the majority of the residents of the aforementioned townships and only the majority of the people can revoke the decision - not a committee or the KRO Executive.

7. Ad par 8

As the main point of discussion is the boycott no agenda has been deemed necessary.

8. Ad par 9

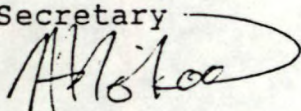

In our experience no security problems have been experienced in the past at mass meetings provided the security forces and particularly the SAP maintain a low profile. The KRO which enjoys wide popular support is confident, although it can obviously not give a guarantee in this regard, that it will be able to maintain law and order at the meeting.

Your speedy reply will be appreciated so that in the event of permission being refused, the KRO will be in a position to take such action as it may be advised to take.

Yours faithfully
