every way better to stay now - as at present and see what happens. Much concern I am quite confident I can get the full go day if necessary, but would much rather not have to prove this. What really troubles me is the prospect of a treason charge going on over months & months without bail. Would personally much prefer these charges, even if chances of acquittal are less, so that bail is granted, and Sigurd plan can operate. In any case, at present am angling with police for some quiet pro quo - whatever it is, permit, intimacy or release, will definitely not accept permit unless prior consultation with wife and family persuades me to. Not under any

circumstances will I agree to what they are saying - that I give a statement, I may have to give evidence for prosecution. At what time they can drag me to the box in chains! Final advice required. If statement should be made without delay appropriate, can these charges give me a legal interminity from prosecution, if so, what should its form be? If answer is established, now, or at any other time, suggest you bring on coming weekend - Sat/Mon/Sunday, Aug 18th app - or every 2nd weekend thereafter, as early as possible.

6 on duty. If on weekend would directly lose some firm, this but NOT CRACKER paper for this purpose. Perhaps a few sheets, not concealed, net wrapping, but folded into two parts (straight) ditto. No less and this light to you all my darling, T.P.F. & Co. Sign and you think of asking Sam to follow the Sigurd plan this time. If impossible, love, & hand
