Dear Mami.

I sent ^{both} Hilda a few
Snaps only 2. days ago & enclosed a few words
to you. But as your letter came afterwards, I will
not keep you waiting. I really do not know
what to say about your leaving & also the children.
I only hope that in two months time I will be
able to inform you of any change that may take
place in our life. At present there is nothing
I can tell you. I am happy to hear that the
children are progressing in School & in music
& I hope they will continue to work & I will be able
to give them what I have lost in life.

If you could let the peace for say a month in
August you could take a holiday. But of course
it is very difficult for you to do all those things.
It requires time and all sorts of bother. Well, this
is part of life. We have got to keep on & struggle
along, and hope we may be compensated for it.
I know all the hardships you have, & believe me
I am living through it myself & am feeling it.
However we shall be alright again I hope.

About Hilda, of course she must go to a Secondary
School, if the School at Zagorsk is a good one
she must go there. The fee seems the same.
I have nothing more to say at present.

With love to all of you
Sam
