## Healthy Babies Make Proud Mothers

Yes, it's true! And you will be a proud mother if you keep your baby healthy and happy. So do what doctors and nurses everywhere tell mothers to do - give your baby PHILLIPS MILK OF MAGNESIA. A small dose of PHILLIPS quickly relieves wind and stomaci pains and gently, but surely, cleans out the bowels. Then your baby will feel fine, look fine. OTHER USES FOR PHILLIPS MILK OF MAGNESIA. 1. Add it to cow's milk to make it more digestible and to prevent the milk turning sour. 2. Rub your baby's gums with it when the baby is teething. 3. Put some on baby's sore and chafed skin to cool and soothe it.

BEWARE OF IMITATIONS. Ask for PHILLIPS MILK OF MAGNESIA in the blue bottle and look for the signature, CHAS H. PHILLIPS" on the label.
