Basutoland High School,

Maseru.

12/6/62.

Dear Sir,

A letter received from World Confederation of Organizations of the Teaching Profession (W.C.O.T.P.) dated June 4, 1962, offers assistance to Basutoland African National Teachers' Association to send a delegate to attend the 11th Delegate Assembly in Stockholm. This Assembly is of great importance to the teaching profession, and as the letter urges us to send other delegates at our own expense, we feel it is not an opportunity to be missed.

We need funds to enable us to supplement the proffered assistance from W.C.O.T.P. and to be able to send more representatives and our purpose in this letter is to appeal to you for financial help which will be most gratefully appreciated.

The attached letter -- a copy of the letter from W.C.O.T.P.-- speaks for itself.

Yours Sincerely

Lang. M. Mueloto

Subject: WCOTP 11th Delegate Assembly, Stockholm, Sweden,
July/August, 1962.

Dear Mr. Khalema,

Your organization is invited to participate in the 11th WCOTP Delegate Assembly in Stockholm, July 25 to August 8, 1962.

ASSISTANCE: WCOTP will pay for one person's round trip economy class air fare from your capital city to Stockholm, plus a grant equivalent to 750 Sw.Kroner, or U.S. \$150.00 for staying expenses. This grant will cover most but not all staying expenses. Please have your representative carry sufficient money to meet all other contingencies.

SELECTION: In selecting your representative, bear in mind the need to give experience to all officers and members of your association. Thus, we suggest you send someone who has not previously attended a WCOTP Assembly of Delegates. He should carry from your Executive a mandate to execute whatever business may arise.

MEETINGS: In addition to the Assembly, a number of associated smaller meetings will be held, one of which will have special importance to your organization:

July 26, 27, 28 - WCOTP Committee on Education in Africa (WCEA).

Agenda: Implementation of WCOTP Survey of the Status of the Teaching Profession in Africa.

An agenda for each associated meeting is attached. Please note the Assembly ends on August 4, but that one post-Assembly meeting - WCOTP Committee on Technical and Vocational Education - takes place August 5 - 8 Your representative is cordially invited to attend, but no additional staying

attend, but no additional staying expenses will be provided.

Assembly working languages are: French, English, German and Spanish.

May I have by cable, at your earliest convenience, the name, title and full address of your representative. By air mail please send some biographical information on your representative so that appropriate press releases may be prepared. Passport, visa and health procedure should be started immediately. After receiving your cable, transportation arrangements will be made and a room reserved at the Palace Hotel. The Host Committee will meet participants upon arrival in Stockholm.

In addition to the one person invited from your country, you are urged to send other representatives at your organizations expense. If officers or members of your association are presently studying in Europe, please send their full name and address. It may be possible to arrange for them to come to Stockholm as observers.

I am looking forward with pleasure to meeting all African participants at a special luncheon I have arranged on July 26.

Very truly yours,

(Sgd) William G. Carr

Secretary General.

Dear Mrs. Yosha,

Thank you for your letter of 21 January 1963. We have collected a lot of general information and statistics about Bantu education, which we are hoping shortly to publish. Also we outline new developments each year in our Survey of Race Relations.

But I doubt whether any of these publications would supply the exact information you are wanting. If we do bring out the one on Bantu education we will send you a copy. It does not, however, give detail about changes in the curricula in schools or in teacher training institutions since 1954.

In the circumstances I think the best thing I can do is to refer your letter to the Secretary for Bantu Education, 196 Scheiding Street, Pretoria, asking him to send you copies of the curricula if these are available.

Yours sincerely,

Muriel Horrell (Miss),
RESEARCH OFFICER.

Could you please send one in this course?

Dear Sir,

Attached is a copy of a letter we have received from America. We are not in possession of adequate knowledge to send a full reply.

Would it be possible for you to send Mrs. Yosha a copy of the syllabus for teacher training colleges, and, if feasible, also a copy of the pre-1954 syllabus? I realize that there are different curricula for the different courses, and also that before 1954 there were differences between the syllabuses in the four provinces. But I cannot think what else to suggest. Possibly you have some other publication that would assist her. As you will see, she is willing to pay for material she receives.

Your help will be appreciated.

Yours faithfully,

Dear Sirs:

In order to complete my master's degree in comparative education, I am making a study of Bantu education, with special emphasis on teacher training. I am making some comparisons with Negro teacher training in the United States.

I am particularly interested in the effects the Bantu Education Act of 1954 has had on Bantu education. For example, because of the Act, has the nature of the curriculum in Bantu schools changed? If, for example, the study of history has somehow changed as the result of the Act, then has this affected the content of courses for Bantu teacher training students? What changes have the language requirements forced on Bantu education? On the training of teachers?

Perhaps some or all of my questions have been answered in your published "Surveys" of the past few years. If so, could you send me appropriate issues; bill me, of course, for those you send.

Perhaps you could furnish me with the names of faculty members in Bantu teacher training institutions who might be able to furnish me some specific information about the training of Bantu teachers. I find in several books the statement that there are 41 Bantu teacher training institutions in South Africa, but I am unable to find the names and addresses of those institutions.

If you can suggest other good sources of information on Bantu teacher training, I should be happy to receive it. Thank you very much for your kind attention to this matter.

Sincerely,

Patricia Yosha

Dear Sir,

In November, 1961, both Dr. Wollheim of C.A.F.D.A. and this Institute wrote about Mr. M.P. Ngaloshe. Your letters 39931 and 479 refer. He has again written to Dr. Wollheim and myself saying he is out of employment, and his family starving.

I know nothing about the case except that your Department said in previous correspondence that he was free to apply for re-appointment in a State Bantu or Community School. His address is Nobantu Post Office, Umtata.

I shall be grateful if the matter can be looked into.

Sir,

M. P. Ngaloshé - a teacher: out of work.

I think Dr. O. D. Wollheim of C. P. F. D. B. Cape Town wrote to you in 1961 that I was threatened with unemployment as teacher. I requested Dr. O. D. Wollheim + the Institute to write on my behalf and find out the cause. The last paragraph of the letter from the Department reads as follows:

"He is free at any time to apply for re-appointment in a State Bantu or community school."

I am now out of job and my family is starving, really suffering, because of the embarrassing state of affairs in my employment under the Bantu Education Department. I have written to Dr. Oscar D. Wollheim appealing for help and some pressure to be caused to bear upon the department.

Yours obediently,

Dear Quintin,

RE: MR.M.P.NGALOSHE

Thank you for your letter of the 28th December. I enclose a copy of the reply I have sent to Mr. Ngaloshe for your information.

I shall be seeing you at Port Elizabeth unless anything goes wrong and we can discuss the matter further then.

We went to the sea for a short holiday but had to interrupt it on New Year's Day when my mother (aged 82) became seriously ill and we had to rush her back to Cape Town for a gallstone operation. Fortunately she stood the operation well and is making a good recovery.

With kind regards,

Yours sincerely,

Mr. M.P. Ngaloshe,

Dear Mr. Ngaloshe,

In reply to my letter to the Secretary for Bantu Education I have received the following communication:-

" Mr. Ngaloshe was in the service of the Dilizintaba School Board. His service was terminated with notice of one quarter by the School Board in terms of Regulation 8 of the regulations proclaimed by the Government Notice No.1980 of the 20th December 1957.

"In the meantime, however, Mr. Ngaloshe accepted the post at the Sigcau State Bantu School. It should, however be mentioned that this appointment at Sigcau was accepted by him before his notice period of three months at Dilizintaba was over. At Sigcau his service was terminated with a month's notice on the grounds of unsatisfactory service, but in the meantime he was appointed in a temporary capacity at Mvenyana, which appointment terminates on the 31st December 1961.

"He is free at any time to apply for re-appointment in a State Bantu or Community School."

Obviously the Department either does not wish to make a full enquiry as requested by myself and by the Institute of Race Relations or, if they have made an enquiry, they are not prepared to admit it or disclose the result. It seems as if the latter may be the case in view of the last paragraph of their letter.

I suggest that you follow the hint given in the last paragraph and apply immediately for re-appointment in a State school - possibly at Mvenyana.

The Institute of Race Relations has only received a copy of the same letter as was sent to me and it does not appear as if they are in a position to do anything more.

If there is any person who is prepared to come forward with any direct charges of maladministration, and is also prepared to produce proof and give evidence under oath, then it might be possible to take the matter further.

Since the authorities know that there are outside persons and organizations interested in this matter you may stand a better chance of re-appointment. I must say that I am extremely sorry that you have been faced with these difficulties.

We send our kindest regards to you and your family.

Yours sincerely,

Met verwysing na u brief C.15/2; Nr. 2763 gedateer 6 November 1961, moet ek u as volg meedeel:

Mna. Ngaloshe was in diens van die Dilizintaba Skoolraad. Sy dienste is met een kwartaal kennis deur die Skoolraad beëindig, kragtens Regulasie 8 van die regulasies afgekondig by Goewermentskennisgewing 1980 van 20 Desember 1957.

Intussen het Ngaloshe egter n betrekking aan die Sigcau Staatsbantoeskool aanvaar. Dit dien egter gemeld te word dat bogenoemde diens by Sigcau aanvaar het voordat sy kennistydperk by Dilizintaba verstryk het. By Sigcau is sy dienste met een maand kennisgewing beëindig weens onbevredigende diens, maar intussen is hy in n tydelike hoedanigheid by Mvenyane aangestel waar sy tydelike aanstelling op 31 Desember 1961 verstryk.

Dit staan hom egter vry om te eniger tyd aansoek te doen vir heraanstelling in n Staatsbantoe- of Gemeenskapskool.

Dear Quintin,

I enclose herewith a letter addressed to Mr. F.J. de Villiers re Mr. M.P. Ngaloshe. I am not sure whether Mr. de Villiers is still Secretary for Education in the B.A.D. but if he is not then I suppose his successor will deal with the matter.

Is there anything the Institute can do in this case? I am not sure whether Mr. Ngaloshe wishes to retain his post but I find it hard to believe that he actually has taken such political action as could justify his dismissal. It sounds more to me like a smear tale from someone who is anxious to get his job or who may have a grouse against him.

Mnr. F.J. de Villiers,
Sekretaris vir Onderwys,
Departement van Bantoe Administrasie en Ontwikkeling,
FRETORIA.

Geagte Mnr. de Villiers,

Ek het vandag 'n brief gekry van Mnr. M.P. Ngaloshe van die Mvenyane Instituut, P.K. Cedarville, wat my baie ontstel het. Hy vertel my dat sy werk as onderwyser in die Departement van Bantoe Onderwys teen die end van die jaar beëindig word en hy vra my of ek nie dadelik vir hom werk kan kry nie sodat hy in staat is om sy vrou en kinders te onderhou.

Hy sê dat hy oënskynlik deur iemand aangegoe is as 'n persoon wat met politiek te doen het maar dat hy nog nooit enige deel aan soiets geneem het nie.

Ek ken Mnr. Ngaloshe sedert omstreeks 1940. Hy was vir baie jare 'n assistent onderwyser te Welsh Hoërskool te Oos Londen, terwyl ek Prinsipaal was en ek het hom in die jare besonder goed leer ken. Alhoewel daar in daardie dae geleentheid genoeg was om hom met politieke sake te bemoei, het ek van soiets nooit te hore gekom nie. Hy was 'n eersteklas onderwyser van Khosa en in sy spaar tyd het hy baie belang gestel in buitenuurse opbouwende werksaamhede van die studente, soos Padvindings, musiek, sang, e.d.m. Sedert my vertrek van Oos Londen het ek af en toe van hom gehoor en met hom gekorrespondeer en, so vër ek die posisie verstaan, het hy in dié tyd met sy gewone werksaamhede voort gegaan sonder om hom in te meng met die politiek. Dit is natuurlik moontlik dat hy dinge gedoen het waarvan ek nie weet nie, maar ek sou verbaas wees om soiets te hoor.

Ek sou dit hoog op prys stel as u in hierdie saak 'n deeglike ondersoek sou laat instel om presies vas te stel of dit swart op wit bepaal kan word dat hy wel dinge gedoen het wat die regulasies verbied. So ja, dan moet die besluit van die Departement staan. As daar, in-teendeel, niks meer as skinderpraatjies van ander persone kan bepaal word nie, sou ek dit op prys stel as die Departement sy besluit in her-oeweging sou kan neem.

Met groete en goeie wense,

Die uwe,

Dear Sir,

Thank you for your letter dated 10th March 1964.

Unfortunately, I have no news for you yet on the subject of the Federal Council's approach to the Departments of Bantu Administration and Coloured Affairs concerning the institution of a Registration Board for Bantu and Indian teachers.

The Federal Council of S.A. Teachers' Associations has its own secretary and I shall endeavour to find out from him if he has made the approach, but I know that there has been no response as yet or we should have been notified.

We shall keep you informed about the progress of this matter. My Association, as you may imagine, shares your desire that this should be done.
