SINGER Sewing Centers

You cannot obtain the best stitching results from your machine if it is fitted with an inferior needle. This can be avoided if you use genuine SINGER needles which carry the mark "SINGER". Needles in packets marked "FOR SINGER Sewing Machines" are NOT SINGER-made.

With knowledge born of many years' experience, we have prepared for sewing machines, an extra quality oil which not only preserves your machine, but keeps it running freely, and is warranted not to gum. Singer Oil is sold only in tins as illustrated.
