The Principal.

Dear Sir,

The N.M.C. has been kind enough to donate to the African N.C. its library for distribution among African schools.

~~We have decided upon~~
We have decided upon that your school should be one of the beneficiaries although the books are not selected for any special purpose or class we hope you will find enough books in your box that will be of value to your student.

We propose that the library or some of your library made up of these books shall be known as the N.M.C. - Congress Library.

Could you advise us by return post whether you will accept our donation.

Wish you every success
Yours sincerely
