

Ref Mordberg. 2/5/89
London.

offered myself at
Orlando - later it
was wrong - the others
had already been taken
on trip. I went to Orlando
I called my house
& then to Randall's house

He happened

He felt deeply
disturbed. He didn't
expect it to be
wounded he was
worried that it was
not, if there was
trouble it would
and have been it

air of pop wd have
defence. ~~to feel~~
~~guilty about it.~~
~~conceded also~~

~~He~~ he said
~~it.~~

He was saying,
even before we
launched, he was
saying, "we are
making history." He
went on saying,
~~even~~ after Chaparral
also. But he was
disturbed about the
killing of people. He
was a sensitive man.
He valued life ~~as~~ a
great deal.

He had an almost
garden-like outlook.

Vidome

all in 1 big cell:
I'm glad you are
here, Jeff. —

Harvard: he said
it was a happy.
He told to ~~forget~~
police re you. He
felt the shooting was
shockingly unnecessary.
~~To his, vidome~~
he showed it to
concept of no vidome.
In the context of
the butsey, it rules

didn't have any
suspense. When you
tell of the victim,
you presume that it
will be a
suspense & unexpected
& nature of the
victim's protest. But
if it never does
have a suspense,

Are they, ~~not~~
& subject.

~~As~~ The victim's, of
nature, will reject
non-victim's affair:
They will ask what
a part of the
pop who are aimed
to & keep & ready to
use them; if we don't
have any.

He was forced
over a year by
what happened to
accept the ~~will~~
& ruled it not
avoid paying for damage.
But he did not like
it, and I don't think
that he and we
have been a source
of help any.

Repl: He knew
nothing about it.

In fact, ^{of the} ~~fact~~ ^{defenses} ~~was~~ ^{is} ~~the~~
meeting passed
to Hal - to dare
rank - to lead up
to summary -
"I don't trust
these fellows." It
deals to my father."

From the fact:

~~short~~ ~~kept~~ pants -
no roll, ^{short, no pinning} & fall.
- no sandal
whipped off to
graveyard ^{no} -
Robbing:

for a bit time
I realized they'd
speak of it as -
be there to it
wider, & it looked
a lot in many ways
one.

Too good -
got going late -
word blankets to
around us -

- we were in different
cells - immediately
started saying for
weeks & more -

To help young me
to get to it, they'd
been why they had
been arrested.

Prof leadg a leady
part, ensuring people
got newspapers for
warden, waning parts -

Then to 6 miles -
sent to the office
Blue Hill & B
Asside: Hoppy -

Some in grass
penalty & youngsters
not to work - led by
AK -

Prof & JEF found a
pen - did an work
of waders kid - not
bode us - & house
started away from
us, & waders, heard
people who were
moving in diff direction -

Prof & I were
trying to tell people
not to run away
because they would be shot -

(Get him out of
A story).

What was on
his mind was
he was ever fearful
at us, & I can be
with it - I'd
to Prof & Prof, be
careful. ~~at us~~
Don't move! We
stood still & looked
at him! A rumor
was id fearfully
to him & he put down
with

Hit of last's
about her he was
a lot through it
page.

a round affair

1st holiday

holiday

only white words
had part, except
1. Maquette

~~youngsters were
that I were
charged?~~
