SPARKLING DRINK ends stomach upsets

Refreshes you while it does you good!

ENO is a mild but surprisingly efficient antacid—never causes an upset, but gives quick, positive relief from acid indigestion, flatulence and heartburn.

That's because of ENO's special buffering antacid action. When someone over-eats - or eats something that doesn't "agree" - ENO helps to put things right again.

And ENO is so exhilarating and refreshing to drink! In 30 seconds it makes you feel better. Not just your stomach, your mouth too! Always keep ENO's "Fruit Salt" handy.
