MESSAGE OF SUPPORT

Greetings to all our struggling people gathered here today at this founding conference of the United Democratic Front and remembering always our brave patriots in the oppressors prisons, those beyond our borders and those so cruelly robbed of life on whose achievements we build.

The day marks another march forward for the oppressed and democratic people on the long road to ridding our country of the scourge of racism, oppression and exploitation.

Let this gathering give us all new determination to send down more and more strong roots into the community, on the factory shop floor and building site, in the townships and towns, in the resettlement camps and rural areas, in the churches and mosques and in the schools, colleges and universities.

Let this gathering give us new strength to unite, mobilize and organise all our people and let us go forward sparing neither effort nor courage to create a new South Africa based on the Freedom Charter of the oppressed people.
