1) Bobake, Turambo, Moplane,
came to Standard to
address a meeting early in '54
in preparation for Def. Law. I
spoke at the meeting - a result
of my speaking at the meeting it
was reported to the author.
Reported by Col. Supt. - & the
referred to it by the edna
people. I saw plan & JG
to seek advice for bearing
no legal ref. allowed -
gave him a few tips

As a bearing proceeded
by 2 inspectors, De Jager &
Supt - I'd guilty of
unprofessional behavior -
bearing addressed a full
meeting in a Govt.

It was for this
part meeting that I was reported -
at the meeting I told it
would not come to pass
when people had to join in
word never came.

Quite apart re this
I want hereby re DC -
had a feeling it was a
low stunt.

In 1952 I was very
DNC in Harderton.

DC was not but
offered by DL, including
Man growth in Jbg

Offering Thomas & Aefater

It was part of No A -
but were fears,
Reds beg behind it -
campaign, and not
afford, but to pay
behind it & Kettle's
instructions. (to get us
to start on May 1 1952???)

2) - Thema offered
Mark had be speaks o
Cong for yrs up to '49 -
~~be reviewed & Tol friendship~~
~~in Samahouse.~~

Thema made it an
anti-con issue in Mark.
But Mda counselled
not to say summit
at all to have - rd

Mark us meets with
be us a hard work &
~~a better man than~~
had a following (of them
us drunkly heavily), & advised
at the H.C. back Mark for
a Tol presidency - in 1950 -
& Leballo group in Orkney,
refused.

~~Lawyer~~ Lawyer

after May, '60 trial,
several of 18 complained
bitterly at my report of
conduct & were angry at
getting ~~3 yrs~~ 18 mths.

13 got 18 mths.
6 + 4 got less than 2 yrs
+ 3 got 3 yrs.

Leballo
in Orkney
Tol
Wynne

had referred a few.
I agreed to wd appeal
on their behalf - they were
extremely angry w/ it - I had
wanted to be tougher in his
long address, but they were
dreadly scared of a long
sentence & insisted on taking
down. In advance of the
campaign & (man who was
defeated - among ANL - was
w/ who he wd give up his job
& luxuries to go to jail.

In C Town at a meeting
in Jan or Feb, 1960, when questioned
on this by ANL man, I replied:
"I have a wife & 4 children -
at 644 Woburn - of whom
I am very fond. If I
don't launch you can
go & burn them down
in your house."

The 15 were angry
but ~~the 200~~ by another
group had got £200 as 300 days
~~papers~~

I felt it was a negative
of a campaign slogan. But the
argument was that we had entered
we didn't defend ourselves.
a appeal. all would be
us that we would use
lawyers - but this didn't
apply to appeals - "was a bit of
casuistry." We all felt that
Maggi's had gone vs the weight
of evidence - we felt we had
put up a brilliant case.

Tobacco @ Ashburg fair, &
A & S removed to Underhill (app
said i wh newspapers for i sell)

Dr A came to Underhill
(May 19th) told A relative
A ~~had~~ ^{only} ~~some~~ ^{figgins} come to them for
\$1000 for collecting money
for an appeal. Said if Dr A did
it id do it better but needed
\$1000 - gave it. Argued about
himself - he id no appeal.

PK queried this - why no
appeal, or on behalf. PK wanted
to get out - he was having
difficulty in adjusting himself to
confinement & physical distress.
He also argued that if bail
id be obtained for everyone
pendg & appeal, a campaign
id be revitalized.

I wrote to D&A(?) - to
ask if bail rd be raised
(w/ I feelg all a time be us
actg vs principle). Ref ~~to~~ ~~the~~
& Wya. saw it came way
as NK - or bot pts, Wpendane
as vs an appeal for anyone,
tho' peop had some i knowg
this wd happen

transferred to Stofferig
listg w all a odes: +150 now
here. learnt to appeal - o t but
fateh song i for '00.

Then lawyer came &
rd they had been subriued.
So act for D& odes. I told
then he didn't want to appeal,
but they note appeal on
behalf o t odes

They sd appeal wd have
to be for all, or sdnt appeal
only for some, or from no (and).
If then sd ok, then appeal only on
A merits.

all A sentences were
upheld (except for 1st group,
where sentence failed).
aft it SD HK transferred
to HO - sent message to HO
asking if appeal on merits sd be
taken to HO - sent message
saying sdnt find copy & record,
th it lawyers had sd
they had rained out
contributions, & he sdnt
do anything. (Matter ended here)

He floo: 28 no trying
to take it with friends &
he came & reported he had
seen floo. - then it odd
message in paper out.

On ~~the~~ ^{morning} the A gave
man address in court,
fell ill & taken to hospital
sect. at fort - as walking thru
famed groups debaris,
and Judy floo, 4 went front,
Cobes - gave first sq. above.
Dead - I called out "unity
at all roots." - floo called
out "it's brilliant" (had that
work then).

9) Had no one
responsible indeed - it
fault no in Mad - he
had to support a thief
who gave orders, wh.
had to be carried out.
Mad: had ~~Mad~~ Alex behind
him; but not leadership
as try to build up a group
no him there no a disorganized
group of individuals there.

Correct at 3 barrels,
i Alex - w Mad. try to
root out Alex, but leadership
try to thwart him.
Intellectually, had no
weight at all.

Ngu, I.A's views correct.

spoke to see confidentially
it wanted to bring up

Chai leader assumed her
his status, & possibly
financial help, i.e.

Mc. approached

Mathews at the house
after a breakup w/ Kuma
& the No. 1 had been desumed
Mathews would stand w/
Kuma; he was loyal to
him. Morcher was "in
bad bet" - we went to him in
cooperation. Had heard he
had broken w/ the AAC at
afternoon - he reviewed
embarrassed that had broken
w/ AAC but they offered
