long, terrible days.

I know so well the shock and

Dear Colleague,

Allow me to express my deepest sympathy in your sad bereavement. -

By some queer coincidence I wanted to make your acquaintance just few days ago, when I heard that you have done postgraduate work in Hungary, since I am a graduate of Budapest.

I shall be pleased indeed to meet you. -

Yours truly

N. Finn

Dear Dr. Luma,
We learnt with deep
sorrow the sad news of the
passing away of Mrs. Luma in
her prime of life. Those of us
who had had an opportunity of
seeing her were struck very much
by her charming personality, and we
cannot but feel deeply moved
by this irreparable loss.

May Almighty God
give you strength to stand
the strain such a loss is
bound to impose on you.

Yours in sympathy,

Seneca Middle.

personal notes.

Dear Brother,

We have noted from the press the distressing news of the death of our sister Amanda Luma. We indeed find it our duty to express our deep sympathy with you at this bereavement. The race has indeed been deprived of a Mother. Since it pleased His Willness to take her over at this juncture we must be satisfied and only pray to overtake her in the yonder regions. Again we express our deep sympathy with you and trust that you will be comforted and face the world with more optimism.

Yours Fraternally

Dear Sir,

You will not, I hope, think me intrusive at such a time, if I address to you a few lines to assure you of my deepest sympathy and sorrow for your bereavement. It is nothing that one can say in such circumstances can adequately express the feelings which I entertain for you, but it will be some little consolation for you to remember even in your deep grief that you — were held in such high esteem by us all, and one who had endeared herself to everyone. Trusting that time will heal the terrible wound you have sustained. I am,

with true sympathy, Yours Sincerely,
E. J. M. Fild.

Dear Dr. Macvicar,

I beg to accept with pleasure the honour you have bestowed upon me by nominating me President of the "Health Society" for next year. I shall endeavour to carry out the duties imposed upon that office as outlined by you.

Dear Sir,

re:- Account Mr. George Hashe. £12.0.0.

I wrote to you in regard to the above on April 18th. 1934. reminding you of your promise made to me personally that you would see that this loan was returned to me, but I regret to have to state that not only has the loan been returned up to the time of writing, but you have failed even to acknowledge receipt of my letter, I think that I am entitled to be advised of the position as it exists at the present moment in order that I may be in a position to decide what steps I must take in order to recover the amount involved.

I shall therefore be obliged if you would kindly inform me how matters stand, and when I may expect receipt of the money to discharge the debt.

Please look upon this matter as important as I cannot allow it to remain unsettled any longer.

A reply by return of post will be esteemed.

Thanking you in anticipation of a prompt reply,

May 8th. 1934.

Mr. Ferreira.

Assistant Native Commissioner.

Krugersdorp. Transvaal.

I beg to remain, dear Sir,
