Dear Friends,

At the end of January 1991 JAA will be participating in a social issues fair, RAINBOW, to be held in London under the joint auspices of the Reform Synagogues of Great Britain and the Union of Liberal and Progressive Synagogues.

There will be talks and workshops, panels of speakers and stalls on subjects including, racism, immigration, world poverty and human rights.

We would be very grateful if you could send us some of your promotional materials, newsletters, press cuttings or anything else you think we could display. It would be very informative for Jews interested in or already committed to anti-apartheid to read and get to know about your activities in South Africa.

With all best wishes.

Yours sincerely,

Dear Charles

The General Body of the End Conscription Campaign in Durban has asked me to write to you and express our great joy at your release. It must be a great relief for you and your family. It is also a victory for the CO movement, and we are happy to think that we have played a small part in it. I am thinking of a public meeting we held in May last year around the theme of Release Objectors Now! at which your mother delivered a stirring address, another vibrant public meeting near the end of the year to remember your first anniversary of imprisonment at which your mother was again one of the speakers, and a march to Natal Command at the end of February this year calling for your and David's release. I wonder if any of us thought you would both be free less than six months later!

We wish you well as you take time to re-adjust to 'normal' life and work out your next step. We hope your plans may include a visit to Durban.

Yours in peace,

Rob Goldman
