Dear Miss Gugwini,

My Trust gives bursaries on the recommendation of the Dean and Committee of the Natal Medical School, not on the results of our own investigation. This means that an aspiring bursar has to have already begun study at the University before application can be made.

I suggest you get in touch with the Assistant Registrar, Faculty of Medicine, University of Natal, 719 Umbilo Road, Durban, who will give you particulars of bursaries.

Yours sincerely,

(Mrs.) M. Scott,

Dear Sir,

I wish to apply for a scholarship or a loan to go and do the Medical Course at Wentworth Medical School, Natal, as from January 1963. I hold the B.Sc. degree (Rhodes), and I hope to complete the Course within the next 5 years.

Hoping that my application will receive your favourable consideration,
I remain,

yours faithfully,

Dear Sir,

Re - Medical Scholarships

Would you be kind enough to give me addresses of Companies, or Trusts or Individuals who assist with scholarships for medicine. There is a candidate Angela Tandeka Ntlabati who is in desperate need of one. She was given an opportunity to study medicine at the Natal Medical School but she did not obtain a Government Loan Bursary. Her resources are now running out. Could you give the necessary assistance.

Yours faithfully

L.K. Ntlabati
