FREE as a BIRD

Feel free as a bird in Aertex. You'll understand how true this is when you know how closely Aertex resembles nature. The birds of the air are clothed in feathers which are constructed to imprison the air and form a light and comfortable method of insulation against heat and cold. Aertex takes care of temperature changes by doing just the same for you. By reason of the millions little air cells in this healthful fabric you can enjoy complete comfort and freedom of action in any climate.
