Sir,

I am a licensed and now registered butcher at Inanda, Piezeng Rivier Farm. My business started in 1940. I am about 16 miles from Durban. In an area with to Native Big Schools, Ohlange Institute and Inanda Seminary. There are also a number of small day schools. At present I have a contract to supply 80lbs of beef to the Inanda Day School every Wednesday.

I am at present allowed to purchase 614 lbs of beef a week. I find that this quantity of meat is very small for my business. I beg to apply for at least 1200lbs of beef and one sheep a week. I may point out that I was not able to submit the approximate true figures last year when I had to remove Mr Mngadi from my business. I depended upon him to give true figures only to find that while doing business with a different Manager I cannot supply all the people who claim to be my costumers. During the month of December and January I had no difficulty because the control was not so strict.

My application is very urgent. I have to disappoint many people who I understand used to get meat from my shop. It is the people who buy meat that I ask your Committee to think and decide favourably for. I am placed in a most difficult position because the buyers never knew of my arrangements with Mngadi nor did I anticipate the implications of the meat control.

At present I am advised that I have overdrawn over my ration.

Yoursfaithfully
