Dear Sir,

I have now learnt from Mr. Malcolm Woolfson that he would be unable to produce the "Last Journey" as he is producing your "Emkhumbane" and feels that he is incapable of tackling both projects. In the meantime our group has decided to contact various other producers and Professor Sneddon has been asked to help us in this matter.

Recently I received a letter from Dr. A.R. Singh informing me that a committee has been formed to "initiate a fund to be devoted to:

- (a). The assistance of undergraduates;
- (b). The development of higher education and
- (c). related activities including research in our medical school".

We have been asked to assist them.

In your first letter to us you asked for a settlement concerning the money that would be taken in. We feel that we could donate some of the money <sup>out</sup> taken but rest assured, Sir, that we shall never do anything with<sub>^</sub> your having endorsed our decision.

We shall therefore be very glad to hear from you. However it may interest you to know that important work is being done in the field of research out of which quite startling facts are emerging; the fact that the average African is undernourished!

Please forgive my enthusiasm when once more I ask for the script.

Thanking you,  
Yours sincerely,

*I.S. Vawda*  
(I.S. Vawda..... Secretary).

Dear Mr. Vawda,

I take it from your letter that you are back in Durban. I hope to speak to Kasaval this morning, and I may be able to give him a message for you. What I would like most is for you to come out and see me, if that is possible.

Yours sincerely,
