My dear Mr. Mokgokong,

I hope you still remember me. Since you left Pimville Secondary School, it was never the same. I hope you and your good family are enjoying good health. Man I am going to ask you to do something for me. I have a son who is in standard VI. I want him to start school in Swaziland in January 1962. Please be good and receive him as one of your student. My brothers' son Mr. Mvabaza who has some children in the schools of Swaziland, tells me you said, you may transfer from Bremersdorp to some other school. Please let me know what the fees are and how they are paid. As I have no friend in Swaziland I would ask you to be good and find a place where the boy could stay. For all this my dear Mr. Mokgokong I hope one day I will be of some service to you.

Thanks a lot,

Sincerely your,

Dear Mr. Oliphant,

Many thanks for your letter of the 6th. inst. In reply thereto I must say, many pictures were sent to many Ministers, but not one of them has sent the money for the pictures. So if you want them I can send them by return post but we must have the money before we part with them. They are 2/6 each. You can have as many as you want.

From each 2/6 you take 6d. as your commission so you send us just 2/- each. I shall await your kind order by return post. Many thanks,

Yours faithfully,

Dear Doctor,

Your client Mokgosi of Meadowlands is in trouble because he has not paid Tax since he became sick. I understand that he suffers from epilepsy and is therefore unable to work. If you could, as a result of your examination, give him a letter to the Municipal Doctor, he could be exempted from paying any Tax.

Ofcourse this is on the understanding that after examination, you confirm that he is suffering from epilepsy. Thanks,

My dear Revd, Mgomezulu,

Compliments of the season to you. I hope you are well. I am sorry I was not able to come and congratulate you personally, upon your elevation to the Presiding Eldership. May God Bless and guide you in all your doings. I was at your home in Mfulu three days ago. There was nobody there. I went the following day and found your good wife - a kind lady. I knew her father. Mfundisi I had come to ask you to help me. I wish you to do all you can. I had made an application to St. Christopher, Bremersdorp, for my son. I received all the necessary papers, but one thing they want a recommendation from his Priest. Now you see my boy is not an Anglican. He is an A.M.E. like me. But if he has to become an Anglican to be admitted to the School, I have no objection. In fact he will join that Church.

As Presiding Elder of our Church, I believe if you spoke to Rev. P. H. Coxan, the Principal on my behalf, he would accept it as a recommendation. Failing that please arrange for my boy to stay with you for a while, and attend a Secondary School there. He will be fifteen years in a few months. He has passed his standard VI, and is now to join the J.C. class. My friend if you do me this **fav**our, I shall never forget you. I am sending you some information about the 3rd. Edition of the African Register, and hope you will send me information about yourself like all prominent ministers. Thanking you in advance, and awaiting a reply by return post, please, Thanks.

Sincerely yours

My dear Zola,

Your Aunt, Grannie, Tshangie, Jokie, Siphon and I send you our best wishes and pray for God's blessings be bestowed on you and Hertert. May you both have a happy and prosperous life. May you be successful in all your undertakings and may you enjoy good health for many, many years. Very sorry not one of us could join you on such a great occasion, but God will be there. The 12th. is indeed a great day for us all. We will pray for you. With the best of love from us all, I am my dear child,

My dear Father,

Allow me first to wish you the best Compliments of the year. May it be a most happy and successful year for you and your good work.

After making the application for my young son, I left for the Country in a haste to complete compiling the MMs of the 3rd. Edition of the African Register. On my return, I found you had be good enough to forward me the necessary documents for which I thank you. Unfortunately for me and my boy, we do not happen to belong to the Englican Church, so I could not go to the Priest here to make the necessary recommdation, although it would please me immensely if my boy joined the Church as he himself has agreed to do. I used to be an Englican, and the late Bishop Gore-Browne righthand layman, but how I left is a long story which I would not burden you with. My crime was that I had married a divorced lady who has since died. Then I married the daughter of the late Rev. Shupinyaneng, the mother of the boy I wish to send to you. Rev. Shupinyaneng was a Pastor of the A.M.E. Church. Which Church I became a member.

Revd. Mgomzulu who has been transferred to Bremersdorp from Johannesburg may come to see you on my behalf if that would serve any useful purpose. May I hope to hear from you at your earliest convenience, and again thanking you in advance,

Sincerely yours,

The Principal,
St. Christopher's High School,
P. B. Manzini,

Dear Sir,

Mjokwani Vulindlela Skota, who will arrive at St. Christopher High School tomorrow, is my son for whom I made an application before you left for England. You were kind enough to send the application form. One of the conditions was that he must belong to the Anglican Church. My delay was because I was waiting for a friend of mine who is an Anglican Priest to make the necessary recommendation, he has not yet come back from the Cape. The application form you sent me I handed to my sister to show to the boys last teacher, in order to get the enclosed testimonial. This teacher and my sister are neighbours, I live a long way off. My sister who is a welfare officer in the Johannesburg City Council had your envelope and other City Council papers on her desk. All these were taken by mistake by another Council official. They are looking for them. This is most unfortunate, and it all happened as I was trying to expedite matters.

On Wednesday I will send the other money. I am enclosing the boys Doctors Certificate and school certificate. His baptism certificate I will send this week.

Sir, when my book is published about April or May, I will show my gratitude in a practical way for the kind consideration you have shown me, believe me, Sir,

Sincerely yours

T. D. M. Skota.

Dear Sir,

I have sent my son in the hope that your kind efforts will make it possible for him to join the classes at St. Christopher's High School. I am sending enclosed herein his doctors certificate, his baptism certificate. R15.00 for books I am sending by express post this afternoon. I do not remember how much the school uniform is - kindly let me know, plus anyother money I am supposed to pay.

I believe I mistakenly inserted the letter you so kindly sent me in the letter I wrote to you, if I did make that mistake, kindly send it back to me, I esteem it greatly. I am sorry to have caused you so much trouble, but I hope you will not regret it, believe me, Sir,

My dear Son,

We are well and hope you too are well, after your cold. Please look after your self. I have sent you a pair of the shoes you want. There is another pair of Bicker at home, but they are just plain. They are also very good. Your mother sent you a parcel last week, but she made the mistake to sent them to Manzini via Piet Retief, so there must be a delay. If you have not got that parcel please let us know so that we can trace from the post office of Pimville, where your mother pasted it.

I shall soon be sending you the other things you want. Your brother Tshangie has a trolley and horse, a fine animal. He is selling vegetables. The trolley and horse belong to a friend of his, but they are kept here at home. Your cousin Zola has written and has sent her best wishes to you. Tokulu is still here she has not gone yet. Your Aunt and Siphoh are still well. My dear boy, I hope you are studying very hard, and above all pray as often as possible. Your Grannie and the children are all well. Let me end, as I wish this letter to catch the post. Goodbye my son,

Your loving father

Dear Mr. Skota -

Please - last questions as time is short - I'd be so grateful if you reply very soon. ① What language did Dr. Seme make his speech in in 1912?

② Can you remember what you felt like when you put up all those marvellous suggestions in 1925? You must have been depressed by the tale of "chaos" you told just about the year's activities - then did you feel excited when you suggested Nkosi Sikelel, ^{flag} etc?

③ What was the significance of May Buzza Afrika at that time - where had it come from?

④ Did the Maxeke's actually found Wilbyre in 1908, or did they just teach there & if so who founded it.

The news is all very sad & I think of you all so much & feel very homesick. Can you think of anyone who could lend me old pictures of the main men in 1912-1930 period at all?
With my best wishes - Nancy Benson

This book deals only with facts and figures. I do not offer any opinion on any thing on way or the other. I now wish to get, through you, a list of the recognised Chiefs in the Transvaal with their addresses; a list of Secondary Schools, Trade School, Colleges and University in the Transvaal; a list of interpreter-clerks in Justice and B.A.D. in the Transvaal, a list of Mental Institutes in the Transvaal; the total population of the natives in the Transvaal.

I have all the other matter that must appear in the book, such as Ministers, Teachers, Lawyers, Doctors, Nurses, Social Workers, Commercial people, Sports people etc.

Thanking you in advance,

The Bantu Commissioner,
Market Street,
Johannesburg.

Dear Sir,

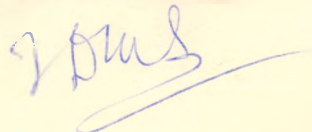

As it is the Government Policy that all Bantu Businesses including Bantu offices must be in the Bantu Townships, and not in the City, and as there are no buildings in the Bantu Townships that could be used as offices, and as nearest Township is more than three miles from the City Hall, the Townships in the western areas being more than eight miles from the City, I wrote to Mr. Malan, Information Officer of the Bantu Affairs Department, asking that the Bantu Affairs Department grant me a site at Diepkloof, on the Potchefstroom Road, opposite the Baragwanath Hospital, on which to put up a building of about a dozen offices or more, to house my people who are being asked to leave the City. I have interviewed some of my Bantu Lawyer friends, Bookkeepers, Insurance Agents and others, they all would be happy to move to this place, since all business offices would be in the same place and it would be able for them to meet in their work as they are doing in Town.

This particular spot is desirable because it is on the bus route. There is a bus stop there, and buses pass every fifteen minutes to and from Town going to the various Townships.

Right opposite the Hospital across the road, there are a string of about twelve to fifteen little tin shanties where fruit and refreshments are sold to the Hospital employees and outpatients including bus passengers. The danger is these places have no sanitation. They have no water supply, nor are there any closets or latrines. the owners and their customers have to go either in the Hospital premises or go about fifty yards down the vally opposite the Hospital to relieve themselves. There is a very real demand for a proper fruit and refreshment place there and it could be included in the suggestion I am making. I am therefore asking you Sir, to recommend that my application be favourably considered by the Government, and thanking you in advance, I beg to remain,

Your obedient servant,

T. D. Mveli Skota

PERSONAL

Mr. Hack,
Head Office,
Richard R. Currie (Pty) Ltd.,
First Floor,
Johannesburg.

27th. July 1963.

Dear Sir,

I am sure it is your policy to be fair to all your tenants. On the 26th. (Yesterday) I received your letter CFH/AN in which you say; "In view of the unsatisfactory manner in which you have been paying your rental, and the fact that the current month is still outstanding, we have now received instruction from our client to cancel your tenancy, this we hereby do. This means that your tenancy is cancelled forthwith and you are required to vacate the premises immediately".

On the 9th. of this month (July) I paid into your Office R44 for last June and the present (July) month. I paid your Lawyers R10.00 for issuing a summons.

I first hired this Office in March 1961 when I paid R11.00 and R2.5c for the keys and Lease stamp. In October 1962 I was in arrears, and on the 7th. November I paid R44 for October and Nov. 1962.

On the 5th. February 1963 I paid R22, there was no arrears, In March I paid R22, there was no arrears, yet in April after paying for that Month on the 2nd., you showed on my receipt arrears of R10.60c

I brought this to your notice. In May you again showed the same arrear of R10.60c. Now this July after paying for June last and July (the present month R44.00, you show an arrears of R32.60c.

I submit there must be a clerical mistake in your Office. I have never paid other than the full rent, how do you account for the R10.60 which is about half the price I pay as rent ?

I have complained time and time again, but the mistake was never rectified. early this month, because you were busy, you asked a young clerk to take my complain, which he did and promised the matter will be looked into. Next I receive a demand, and finally this letter referred to above. The present letter is addressed to Shota, on the envelop it is addressed to Mr. T. N. Sliska. I am wondering if you have not perhaps a tenant by this name who may owe you money.

Kindly let me hear from you by return post, please,

Sincerely yours

T. D. Mveli Skota

Dear Mr. Mveli Skota,

Thanks for your letter of Nov. 17. I am pleased to know of the splendid and inspiring work you are doing.

I am sending a copy of my "World's Great Men of Color," vol. 1 which deals principally with Africa and Asia.

In "Sex and Race " vol. 1, you will also much on South Africa.

I have had to publish these books myself as the matter in them runs counter to popular belief . I have written ten books in all, dealing with the race question.

I shall appreciate whatever you can do to make these books better known. I give a liberal commission on larger orders postpaid.

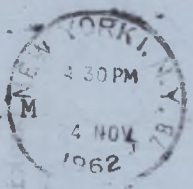

Enclosed is a circular and description of my other books.

Looking forward to hearing from again,

Cpordially yours,

J. A. Rogers
